HB 1111

JUSTIFICATION SHEET

DEPARTMENT: Health

TITLE: A BILL FOR AN ACT RELATING TO THE REPEAL OF THE DIETITIAN LICENSURE PROGRAM.

PURPOSE: To repeal the dietitian licensure program.

MEANS: Repeal chapter 448B, Hawaii Revised Statutes.

JUSTIFICATION: The DOH does not have the resources or the infrastructure to implement this licensure program.

Impact on the public: While the DOH respects the Legislature's intentions, it appears that licensing dietitians or not licensing dietitians would have little public impact.

Impact on the department and other agencies: No impact on other agencies. Such a licensure program would require new resources and building new infrastructure within the department. Implementing this program in a department that does not regularly license health care professionals or provide for the enforcement of such licensure can no longer be considered given the economic realities.

GENERAL FUND: None.

OTHER FUNDS: None.

PPBS PROGRAM DESIGNATION: HTH-720.

OTHER AFFECTED AGENCIES: None.

EFFECTIVE DATE: Upon approval.
