
A BILL FOR AN ACT

RELATING TO TAXATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that, each year
2 approximately \$1,000,000,000 is given away in tax dollars in the
3 form of tax exemptions, deductions, and credits to certain
4 segments of the community. While many, if not all are for good
5 reasons and programs, these tax "giveaways" are perpetual and
6 require little or no legislative oversight. This is an unfair
7 system, considering core programs such as education, public
8 safety, health care programs, including the medicare and
9 medicaid programs, and others must face legislative scrutiny
10 before receiving continued funding.

11 The purpose of this Act is to establish a sunrise and
12 sunset review of certain tax exemptions, deductions, and credits
13 to require legislative review of these programs to ensure their
14 fiscal integrity and provide good state fiscal policy.

15 SECTION 2. Chapter 231, Hawaii Revised Statutes, is
16 amended by adding two new sections to be appropriately
17 designated and to read as follows:

1 "§231- **Erroneous claim for refund or credit.** Unless a
2 person making a claim for a tax refund or credit in an excessive
3 amount can prove that the person has a reasonable basis for
4 making the claim, the person shall be liable for a penalty in an
5 amount equal to twenty per cent of the excessive amount. For
6 the purposes of this section, the term "excessive amount" means
7 the amount that exceeds the amount of a claim for a refund or
8 credit that is allowed by law.

9 §231- **Tax credits and exemptions; evaluation; report.**

10 (a) The department shall perform an evaluation of the tax
11 credits or tax exemptions provided in title 14 and scheduled for
12 repeal in section 2 of Act , Session Laws of Hawaii 2009;
13 provided that sections 235-15, 235-110.2, 235-110.8, 237-29,

15 human services.

7 knowledgeable in the field of economics;

15 elements needed for the analyses; and

16 (3) Collect, process, and analyze data from federal,
17 state, and local government sources.

18 (d) The data and economic analyses provided by the
19 department in its reports to the legislature shall provide
20 information sufficient to allow the legislature to determine
21 whether the tax credits and tax exemptions provided under title
22 14 have achieved or are achieving their intended objectives,

1 whether they are consistent with public policies, and whether
2 they should be reenacted, modified, or permitted to expire.

3 (e) If the department recommends that a tax credit or tax
4 exemption should be modified, it shall provide with its report
5 to the legislature, and with the assistance from the departments
6 listed in subsection (c)(2), proposed draft legislation that,
7 upon enactment, would effect the recommended modifications.

8 (f) If the department recommends that the law establishing
9 a tax credit or tax exemption should not be reenacted, it
10 nevertheless shall make appropriate recommendations, with
11 assistance from the departments listed in subsection (c)(2), to
