2 adopted thereunder.

3 "Endowment fund" means an institutional fund or part  
4 thereof that, under the terms of a gift instrument, is not  
5 wholly expendable by the institution on a current basis. The  
6 term does not include assets that an institution designates as  
7 an endowment fund for its own use.

8 "Gift instrument" means a record or records, including an  
9 institutional solicitation, under which property is granted to,  
10 transferred to, or held by an institution as an institutional  
11 fund.

12 "Institution" means:

- 13 (1) A person, other than an individual, organized and  
14 operated exclusively for charitable purposes;  
15 (2) A government or governmental subdivision, agency, or  
16 instrumentality, to the extent that it holds funds  
17 exclusively for a charitable purpose; or  
18 (3) A trust that had both charitable and noncharitable  
19 interests, after all noncharitable interests have  
20 terminated.

21 "Institutional fund" means a fund held by an institution  
22 exclusively for charitable purposes. The term does not include:

- 1 (1) Program-related assets;
- 2 (2) A fund held for an institution by a trustee that is
- 3 not an institution, unless the fund is held
- 4 exclusively for the benefit of a community foundation;
- 5 or
- 6 (3) A fund in which a beneficiary that is not an
- 7 institution has an interest, other than an interest
- 8 that could arise upon violation or failure of the
- 9 purposes of the fund.

10 "Person" means an individual, corporation, business trust,  
11 estate, trust, partnership, limited liability company,  
12 association, joint venture, public corporation, government or

19 medium or that is stored in an electronic or other medium and is  
20 retrievable in perceivable form.

21 § -3 Standard of conduct in managing and investing  
22 institutional fund. (a) Subject to the intent of a donor

1 expressed in a gift instrument, an institution, in managing and  
2 investing an institutional fund, shall consider the charitable  
3 purposes of the institution and the purposes of the  
4 institutional fund.

5 (b) In addition to complying with the duty of loyalty  
6 imposed by law other than this chapter, each person responsible  
7 for managing and investing an institutional fund shall manage  
8 and invest the fund in good faith and with the care an  
9 ordinarily prudent person in a like position would exercise  
10 under similar circumstances.

11 (c) In managing and investing an institutional fund, an  
12 institution:

13 (1) May incur only costs that are appropriate and  
14 reasonable in relation to the assets, the purposes of  
15 the institution, and the skills available to the  
16 institution; and

17 (2) Shall make a reasonable effort to verify facts  
18 relevant to the management and investment of the fund.

19 (d) An institution may pool two or more institutional  
20 funds for purposes of management and investment.

21 (e) Except as otherwise provided by a gift instrument, the  
22 following rules apply:

- 1           (1) In managing and investing an institutional fund, the  
2           following factors, if relevant, must be considered:  
3           (A) General economic conditions;  
4           (B) The possible effect of inflation or deflation;  
5           (C) The expected tax consequences, if any, of  
6           investment decisions or strategies;  
7           (D) The role that each investment or course of action  
8           plays within the overall investment portfolio of  
9           the fund;  
10          (E) The expected total return from income and the  
11          appreciation of investments;  
12          (F) Other resources of the institution;  
13          (G) The needs of the institution and the fund to make  
14          distributions and to preserve capital; and  
15          (H) An asset's special relationship or special value,  
16          if any, to the charitable purposes of the  
17          institution.
- 18          (2) Management and investment decisions about an  
19          individual asset must be made not in isolation but  
20          rather in the context of the institutional fund's  
21          portfolio of investments as a whole and as a part of  
22          an overall investment strategy having risk and return

1 objectives reasonably suited to the fund and to the  
2 institution.

3 (3) Except as otherwise provided by law other than this  
4 chapter, an institution may invest in any kind of  
5 property or type of investment consistent with this  
6 section.

7 (4) An institution shall diversify the investments of an  
8 institutional fund unless the institution reasonably  
9 determines that, because of special circumstances, the  
10 purposes of the fund are better served without  
11 diversification.

12 (5) Within a reasonable time after receiving property, an  
13 institution shall make and carry out decisions  
14 concerning the retention or disposition of the  
15 property or to rebalance a portfolio, in order to  
16 bring the institutional fund into compliance with the  
17 purposes, terms, and distribution requirements of the  
18 institution as necessary to meet other circumstances  
19 of the institution and the requirements of this  
20 chapter.

21 (6) A person that has special skills or expertise, or is  
22 selected in reliance upon the person's representation

1           that the person has special skills or expertise, has a  
2           duty to use those skills or that expertise in managing  
3           and investing institutional funds.

4           § -4 Appropriation for expenditure or accumulation of  
5           endowment fund; rules of construction. (a) Subject to the  
6           intent of a donor expressed in the gift instrument an  
7           institution may appropriate for expenditure or accumulate so  
8           much of an endowment fund as the institution determines is  
9           prudent for the uses, benefits, purposes, and duration for which  
10          the endowment fund is established. Unless stated otherwise in  
11          the gift instrument, the assets in an endowment fund are donor-  
12          restricted assets until appropriated for expenditure by the  
13          institution. In making a determination to appropriate or  
14          accumulate, the institution shall act in good faith, with the  
15          care that an ordinarily prudent person in a like position would  
16          exercise under similar circumstances, and shall consider, if  
17          relevant, the following factors:

- 18           (1) The duration and preservation of the endowment fund;
- 19           (2) The purposes of the institution and the endowment  
20           fund;
- 21           (3) General economic conditions;
- 22           (4) The possible effect of inflation or deflation;

1 (5) The expected total return from income and the  
2 appreciation of investments;

3 (6) Other resources of the institution; and

4 (7) The investment policy of the institution.

5 (b) To limit the authority to appropriate for expenditure  
6 or accumulate under subsection (a), a gift instrument must  
7 specifically state the limitation.

8 (c) Terms in a gift instrument designating a gift as an  
9 endowment, or a direction or authorization in the gift  
10 instrument to use only "income", "interest", "dividends", or  
11 "rents, issues, or profits", or "to preserve the principal  
12 intact", or words of similar import:

13 (1) Create an endowment fund of permanent duration unless  
14 other language in the gift instrument limits the  
15 duration or purpose of the fund; and

16 (2) Do not otherwise limit the authority to appropriate  
17 for expenditure or accumulate under subsection (a).

18 **§ -5 Delegation of management and investment functions.**

19 (a) Subject to any specific limitation set forth in a gift  
20 instrument or in law other than this chapter, an institution may  
21 delegate to an external agent the management and investment of  
22 an institutional fund to the extent that an institution could

1 prudently delegate under the circumstances. An institution  
2 shall act in good faith, with the care that an ordinarily  
3 prudent person in a like position would exercise under similar  
4 circumstances, in:

5 (1) Selecting an agent;

6 (2) Establishing the scope and terms of the delegation,  
7 consistent with the purposes of the institution and  
8 the institutional fund; and

9 (3) Periodically reviewing the agent's actions in order to  
10 monitor the agent's performance and compliance with  
11 the scope and terms of the delegation.

12 (b) In performing a delegated function, an agent owes a  
13 duty to the institution to exercise reasonable care to comply  
14 with the scope and terms of the delegation.

15 (c) An institution that complies with subsection (a) is  
16 not liable for the decisions or actions of an agent to which the  
17 function was delegated.

18 (d) By accepting delegation of a management or investment  
19 function from an institution that is subject to the laws of this  
20 state, an agent submits to the jurisdiction of the courts of  
21 this state in all proceedings arising from or related to the  
22 delegation or the performance of the delegated function.

1 (e) An institution may delegate management and investment  
2 functions to its committees, officers, or employees as  
3 authorized by law of this state other than this chapter.

4 § -6 Release or modification of restrictions on  
5 management, investment, or purpose. (a) If the donor consents  
6 in a record, an institution may release or modify, in whole or  
7 in part, a restriction contained in a gift instrument on the  
8 management, investment, or purpose of an institutional fund. A  
9 release or modification may not allow a fund to be used for a  
10 purpose other than a charitable purpose of the institution.

11 (b) The court, upon application of an institution, may  
12 modify a restriction contained in a gift instrument regarding  
13 the management or investment of an institutional fund if the  
14 restriction has become impracticable or wasteful, if it impairs  
15 the management or investment of the fund, or if, because of  
16 circumstances not anticipated by the donor, a modification of a  
17 restriction will further the purposes of the fund. The  
18 institution shall notify the attorney general of the  
19 application, and the attorney general must be given an  
20 opportunity to be heard. To the extent practicable, any  
21 modification must be made in accordance with the donor's  
22 probable intention.

1 (c) If a particular charitable purpose or a restriction  
2 contained in a gift instrument on the use of an institutional  
3 fund becomes unlawful, impracticable, impossible to achieve, or  
4 wasteful, the court, upon application of an institution, may  
5 modify the purpose of the fund or the restriction on the use of  
6 the fund in a manner consistent with the charitable purposes  
7 expressed in the gift instrument. The institution shall notify  
8 the attorney general of the application, and the attorney  
9 general must be given an opportunity to be heard.

10 (d) If an institution determines that a restriction  
11 contained in a gift instrument on the management, investment, or  
12 purpose of an institutional fund is unlawful, impracticable,  
13 impossible to achieve, or wasteful, the institution, without  
14 application to the court, but with the consent of the attorney  
15 general, may modify the purpose of the fund or the restriction  
16 on the use of the fund in a manner consistent with the  
17 charitable purposes expressed in the gift instrument if the fund  
18 subject to the restriction has a total value of less than  
19 \$250,000.

20 (e) If an institution determines that a restriction  
21 contained in a gift instrument on the management, investment, or  
22 purpose of an institutional fund is unlawful, impracticable,

1 impossible to achieve, or wasteful, the institution, sixty days  
2 after notification to the attorney general, may release or  
3 modify the restriction, in whole or part, if:

4 (1) The institutional fund subject to the restriction has  
5 a total value of less than \$50,000;

6 (2) More than twenty years have elapsed since the fund was  
7 established; and

8 (3) The institution uses the property in a manner  
9 consistent with the charitable purposes expressed in  
10 the gift instrument.

11 § -7 **Reviewing compliance.** Compliance with this chapter  
12 is determined in light of the facts and circumstances existing  
13 at the time a decision is made or action is taken, and not by  
14 hindsight.

15 § -8 **Application to existing institutional funds.** This  
16 chapter applies to institutional funds existing on or  
17 established after the effective date of this Act. As applied to  
18 institutional funds existing on the effective date of this Act  
19 this chapter governs only decisions made or actions taken on or  
20 after that date.

21 § -9 **Relation to electronic signatures in global and**  
22 **national commerce act.** This chapter modifies, limits, and

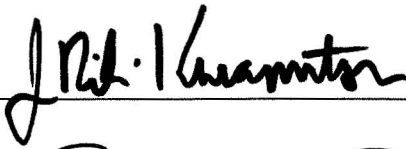

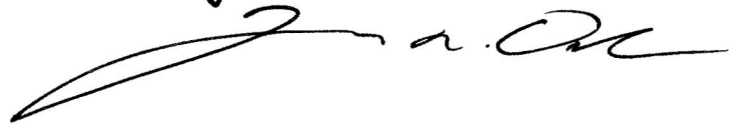

1 supersedes the Electronic Signatures in Global and National  
2 Commerce Act, 15 U.S.C. section 7001 et seq., but does not  
3 modify, limit, or supersede section 101 of that act, 15 U.S.C.  
4 section 7001(a), or authorize electronic delivery of any of the  
5 notices described in section 103 of that act, 15 U.S.C. section  
6 7003(b)."

7 SECTION 2. Chapter 517D, Hawaii Revised Statutes, is  
8 repealed.

9 SECTION 3. This Act shall take effect on July 1, 2009.
