
HOUSE RESOLUTION

REQUESTING EACH STATE AGENCY THAT IS PLANNING ANY ACTION THAT WILL RESULT IN REDUCTIONS IN SERVICES TO THE PUBLIC TO CONSIDER THE POSSIBLE IMPACT THE REDUCED SERVICES WILL HAVE ON RURAL COMMUNITIES AND TO PROVIDE PREFERENCE TO ENSURING CONTINUED SERVICE TO THOSE RURAL COMMUNITIES.

1 WHEREAS, the state budget is divided into eleven different
2 program areas and is administered by eighteen state departments
3 that provide services to both urban and rural communities; and
4

5 WHEREAS, the dire economic circumstances of the State may
6 force a reduction in services to the public; and
7

8 WHEREAS, certain reductions in services may have profound
9 consequences on rural communities, especially if a reduction
10 effectively terminates all services to rural communities; and
11

12 WHEREAS, an effective termination of services may occur if
13 alternative or substitute means of service are not readily
14 available to rural communities; now, therefore,
15

16 BE IT RESOLVED by the House of Representatives of the
17 Twenty-fifth Legislature of the State of Hawaii, Regular Session
18 of 2009, that each state agency that is planning any action that
19 will result in a reduction of services to the public is
20 requested to consider the possible impact the reduced services
21 would have on rural communities and to provide preference for
22 continuing to provide a reasonable level of service to those
23 rural communities; and
24

25 BE IT FURTHER RESOLVED that each state department that is
26 planning a reduction of services presently provided to the

29 respect to: the affected rural communities identified by the
30 state department, an analysis of the preference that will be
31 provided to that community; and whether any alternative or
