

STAND. COM. REP. NO.

1511

Honolulu, Hawaii

APR 28 2009

RE: GOV. MSG. NO. 288

Honorable Colleen Hanabusa
President of the Senate
Twenty-Fifth State Legislature
Regular Session of 2009
State of Hawaii

Madam:

Your Committee on Economic Development and Technology, to which was referred Governor's Message No. 288, submitting for study and consideration the nomination of:

HAWAII'I HISTORIC PLACES REVIEW BOARD

G.M. No. 288 JAMES S. GUEQUIERRE,
for a term to expire 6-30-2013,

begs leave to report as follows:

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds James S. Guequierre to possess the requisite qualifications to be nominated to the Hawaii Historic Places Review Board.

Testimony in support of this nominee was submitted by the Department of Land and Natural Resources. Written testimony presented to the Committee may be reviewed on the Legislature's website.

James S. Guequierre has obtained over thirty years of experience primarily working as a principal interior designer, space planner, and managing director for some of the country's leading architectural firms. Some of the specific projects that Mr. Guequierre has worked on include corporate offices, financial institutions, legal offices, restaurants, clubs, dining establishments, and extreme environments.

Your Committee finds that the wide range of professional and personal experiences of James S. Guequierre will be an asset to

the Hawaii Historic Places Review Board in the Board meeting its objectives and goals over the next few years.

As affirmed by the record of votes of the members of your Committee on Economic Development and Technology that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Respectfully submitted on
behalf of the members of the
Committee on Economic
Development and Technology,

CAROL FUKUNAGA, Chair
