RE: H.B. No. 269  
H.D. 1

Honorable Calvin K.Y. Say  
Speaker, House of Representatives  
Twenty-Fifth State Legislature  
Regular Session of 2009  
State of Hawaii

Sir:

Your Committee on Finance, to which was referred H.B. No. 269, H.D. 1, entitled:

"A BILL FOR AN ACT RELATING TO REAL PROPERTY,"

begs leave to report as follows:

The purpose of this bill is to enable the counties to promptly track property ownership, encumbrances, restrictions, uses, and sales prices of real property to more accurately determine real property tax assessments. Specifically, this bill requires the registrar of the Bureau of Conveyances to provide, within ten days after the end of each week and free of charge, the administrator of the Real Property Assessment Division of the City and County of Honolulu an image and index of all instruments and documents that have been recorded in the registrar's office that week relating to land in all the counties. This bill also requires the real property assessment administrator of the City and County of Honolulu to provide copies of the images, without charge, to the real property assessment administrators of the other counties.

The Real Property Tax Division of the County of Hawaii Department of Finance supported this bill. The Department of Land and Natural Resources opposed this measure. The City and County of Honolulu and Real Property Tax Division of the County of Maui Department of Finance offered comments.

HB269 HD1 HSCR FIN HMS 2009-2823

Respectfully submitted on  
behalf of the members of the
