The purpose of this informational briefing is to gather information relating to the potential impacts on the community and agricultural industry in the County of Maui, arising from the significant reduction and service at the plant quarantine branch on Maui. The reduction of station staffing and the consequent reduction in service of the branch would come as the result of Governor Linda Lingle's announced intention to lay off branch staff.

If you require special assistance or auxiliary aids and/or services to participate in the informational briefing (i.e., sign language interpreter or wheelchair accessibility), please contact the Committee Clerk at **808-586-6760** to make a request for arrangements at least 24 hours prior to the briefing. Prompt requests help to ensure the availability of qualified individuals and appropriate accommodations.

For further information, please call the Committee Clerk at **808-586-6760**.
