Act 208, Session Laws of Hawaii 2008, established a full-time temporary renewable energy facilitator position in the Department of Business, Economic Development and Tourism with the following duties:

- Facilitate the efficient permitting of renewable energy projects
- Initiate the implementation of key renewable energy projects by permitting various efficiency improvement strategies identified by the department
- Administer the day-to-day coordination for renewable energy projects on behalf of the department and the day-to-day operations of the renewable energy facility siting process established in [Act 207, Session Laws of Hawaii 2008]
- Submit periodic reports to the legislature on renewable energy facilitation activities and the progress of the renewable energy facility siting process

The purpose of this informational briefing is to receive a presentation from Joshua Strickler, renewable energy facilitator regarding the permitting process of renewable energy projects.

If you require special assistance or auxiliary aids and/or services to participate in the House public hearing process (i.e., sign or foreign language interpreter or wheelchair accessibility), please contact the Committee Clerk at 586-8435 or email your request for an interpreter to HouseInterpreter@Capitol.hawaii.gov at least 24 hours prior to the hearing for arrangements. Prompt requests submitted help to ensure the availability of qualified individuals and appropriate accommodations.
