The Senate Committee on Ways and Means and the House Committee on Finance will conduct joint informational briefings on all grants-in-aid applications to the 2009 Legislature. On February 13th, the briefing will include applicants from Neighbor Islands and Oahu.

Applicants are not required to attend the joint briefings, and all grant-in-aid applications will be duly considered regardless of whether the applicants attend the briefings.

Due to the volume of applications received, and to maximize efficiency, the following rules will be applied during the informational briefings:

1. Only one (1) representative per application and applicant will be called to provide information and answer questions; and
2. Each representative will be allowed no more than three (3) minutes to provide any additional information.
3. Neighbor Island applicants will be heard in alphabetical order first, followed by Oahu applicants in alphabetical order.

Additionally, representatives of the appropriate Executive Branch expending agencies responsible for the release and distribution of appropriated funds are also invited to participate in this process and be available to answer questions from the Committees about their respective analyses of grant-in-aid applicants' requests.

The following grant-in-aid applicants are listed in alphabetical order and divided by neighbor island applicants and Oahu based applicants.
