William B. Bailey

Submitting for consideration and confirmation to the
Health Planning Council, Honolulu Subarea,
Gubernatorial Nominee, WILLIAM B. BAILEY, for a term
to expire 6-30-2013.

February 26, 2009

The Honorable Senator Ige
Chair, Senate Committee on Health
Hawaii State Capitol
Honolulu, Hawaii 96813

Dear Senator Ige:

I am currently the General Manager in Hawaii for American Medical Response. After graduation from Occidental College in Biology and Psychology, I have spent a career in paramedicine as both a paramedic and administrator.

I would like to serve on the Honolulu Subarea Health Planning Council. As an active Honolulu resident, I will be able to effectively represent the health care interests in the County of Honolulu. I believe that SHPDA through its citizen participation is able to assist with healthcare planning and reform.

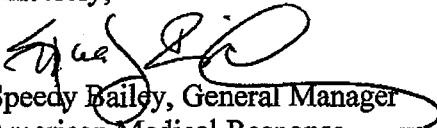

In my tenure, I have served two terms on the State Health Planning and Coordinating Council and one on the Honolulu Subarea Health Planning Council. I have a thorough understanding of the role and responsibilities of a council member. Experience, integrity and commitment are three qualities that describe me. These qualities will benefit the planning process and our community.

During Hurricane Iniki, I led International Life Support, now AMR, successfully through the EMS disaster response and aftermath. This experience has left a lifelong impression on me with respect to disaster preparation. I will bring this learning to the planning process as a member of SHPDA.

I look forward to community participation and request that you support my nomination.

Mahalo.

Sincerely,

Speedy Bailey, General Manager
American Medical Response
