Aloha Honorable Senators,

My name is Nancy Ravelo, I'm a resident of the island of Molokai and the mother of Carol Philips. I'm writing in strong support of her renomination to the State Commission on the Status of Women. She is a great asset to our family, a wonderful daughter, a helpful caring sister and a fabulous auntie. I know that she is a solid community worker, a strong supporter of women's rights and an avid environmentalist. Her continued presence on the State Commission on the Status of Women will be very beneficial for the women of Hawaii. Mahalo for your consideration.

Sincerely,

Nancy Ravelo

Aloha,

I have known Carol since she was a very little girl. I am hoping that the State Sentate will affirm her to the State Commission on the Status of Women. She has served on this board previously so she has experience. Carol was self motivated to get her education and she needs this challenge to put her knowledge to good use. She is environmental concious, supports equal rights for women, and is a good role model for young women to aspire to. At one time Carol was the number one female body borader in America. I am a teacher at Kaneohe Elementary School and I ask for your support to confirm her. Mahalo Melinda Ahn MEd
