LATE

Testimony in Support of Adrienne King's confirmation to Commission on Status of Women.
Hearing Date and Time: Wednesday April 15, 2009 at 10:00 am Rm 016

I have known Adrienne King for 30 years, mainly as a neighbor and as a mother raising her two sons. She is blessed with great energy, passion and an unique understanding of a woman's place in todays society, as she herself has successfully filled the multiple roles that now are sometimes thrust upon, and sometimes sought after, by the women of today.

Thank you for considering her - I know she is an excellent choice!
