Testimony in support of HB274 – RELATING TO PATRIOT DAY

I support HB274 to have September 11th recognized as "Patriot Day" in Hawaii.

This measure is a way to honor and recognize those people who lost their lives in the 9/11 attacks on the World Trade Center in New York, the Pentagon in Virginia, and in rural Pennsylvania.

Many people such as police officers, firefighters, regular citizens, and emergency personnel, risk their lives to try and save lives after the horrific attacks on 9/11.

This bill will not only honor those who lost their lives on September 11, 2001 but also recognize the bravery of those who risk their lives in the rescue efforts following the attacks.

Sincerely,

Rosebella Martinez
Hawaii Citizen Resident

TESTIMONY IN SUPPORT OF HB274

To the Honorable Chair Carol Fukunaga and distinguished committee members:

I support this measure to designate September 11th as "Patriot Day" in Hawaii. As you know over 3,000 people lost their lives after the hijacked airplanes crashed into the World Trade Center in New York, the Pentagon in Virginia, and in rural Pennsylvania.

In the aftermath of these attacks many police officers, firefighters, emergency personnel, and ordinary citizens assisted in the rescue efforts to save lives.

This measure is to honor those who lost their lives on September 11, 2001 and to recognize the bravery of those who assisted in the rescue efforts following the attacks.

Sincerely,

Josephine Besario
Hawaii Resident
