Re: S.B. 1181 S.D. 1 - Relating to Labor

We are in full support of bill SB 1181 SD 1. The current draft reflects the purpose and intent of this legislation. It is very clear as to what is required on the certified payroll as far as Fringe Benefit Wages reporting.

This will help keep our public monies accountable as is required by law. Thank you for allowing this bill to be on today's agenda.

I ask that you support bill SB 1181 SD 1
Thank you for the opportunity to testify
