### **PLEASE PASS THIS BILL!**

I want to thank the introducer and the signers of this bill for introducing it and holding this hearing. This bill is one of the clearest examples of a compassionate Legislature doing whatever is possible to preserve the safety net. We are going to see a huge outpouring of need over the next 2 years, and we should do everything possible to help our people with their most basic needs, especially health care.

Thank you so much.

Aloha, joel
