S.C.R. 108, S.D. 1/S.R. 66, S.D. 1

REQUESTING THE FORMATION OF A JOINT LEGISLATIVE PROCUREMENT WORKING GROUP TO EVALUATE THE STATE PROCUREMENT CODE AND RECOMMEND IMPROVEMENTS.

Chair Kim and members of the Committee, thank you for the opportunity to comment on S.C.R. 108, S.D. 1/S.R. 66, S.D. 1.

The Department of Accounting and General Services (DAGS) appreciates the intent of S.C.R. 108, S.D. 1/S.R. 66, S.D. 1 and has comments to offer.

First, the joint legislative procurement working group should be tasked to look at both Chapter 103D and 103F of the HRS. There does not appear to be a clear reason why goods, services and construction should be governed by Chapter 103D, HRS, while health and human services should be governed by another procurement code under Chapter 103F, HRS.

Second, if the joint legislative procurement working group is to diligently review either or both Chapter 103D and Chapter 103F, and recommend improvements, twenty days prior to the convening of the 2010 Legislature is not enough time.

DAGS also has some technical corrections. First, the task force as proposed would total over 30 members. That is too large. Also, the University of Hawai'i Procurement Institute resides at the William S. Richardson School of Law. Professor Danielle Conway Jones heads the UH Procurement Institute. The Hawai'i Procurement Institute is independent of the University.

DAGS believes that providing the professional, technical, and clerical support to the large task force this SCR proposes may be an extensive requirement. DAGS does not have the budget or human resources to add this to its responsibility. Doing so would make this task an unfunded mandate.
