Renaming Maui Memorial Medical Center in Honor of Representative Robert H. "Bob" Nakasone

Friday, April @4,, 8:45 a.m.

Dear Representative Yamane, Nishimoto, and Members of the Committee:

The late State Representative Robert "Bob" Nakasone from Maui has worked tirelessly in pursuing his life long goal in making the Maui Memorial Medical Center second to none in advance health care for all of the residents and visitors to Maui County. His fruits of labor for this cause has greatly enhanced the capabilities of our hospital which we as Maui County residents can be proud of and have confidence in it providing us the finest healthcare available.

I urge your favorable consideration of SCR 77.

Thank you for the opportunity to submit comment on this important matter.

Support of SCR 77 S.D. 1, Renaming Maui Memorial Center in Honor of  
Representative Robert H. "Bob" Nakasone

Representative Nakasone may not have thought much of the practice of naming public facilities after public officials. But I think he would have enjoyed this gesture, especially coming from his colleagues.

Perhaps such a recognition could serve to remind us of the enduring lessons of his long tenure in elective office: that government can be both compassionate and efficient; that legislative success is based on mutual courtesy and respect; that influence grows naturally from constant learning, cooperation, and hard work; and, that our individual legacies are defined by the accomplishments of those who we have helped along.

Thank you for this opportunity to urge your support of this measure.

Dear Representative Yamane, Nishimoto and Members of the Committee:

My name is Ted Yamamura, a past friend, supporter and constituent of Robert "Bob" Nakasone.

During his 16 years as a member of the State House of Representatives, Bob Nakasone was concerned with countless State and County of Maui issues; however, none was more important to him than the health, well being and growth of Maui Memorial Medical Center. Bob Nakasone was instrumental in ensuring that Maui Memorial Medical Center was one of the most advanced healthcare facilities in the State.

Maui Memorial Medical Center is the only hospital on Maui, and due to Bob's tireless efforts, all Maui residents and visitors can be confident of quality medical facilities and treatment when needed. We are indeed indebted to Bob.

I urge your favorable consideration of SCR 77. Thank you for this opportunity to comment.
