# A BILL FOR AN ACT

MAKING AN APPROPRIATION FOR THE ABOUT FACE PROGRAM.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the Hawaii national  
2 guard's about face family of programs serves at-risk youth by:

3           (1) Keeping youth in school and improving their academic  
4           achievement;

5           (2) Helping youth obtain a new vision for their future;

6           (3) Reducing juvenile crime and drug use;

7           (4) Allowing Hawaii national guard soldiers to serve as  
8           role models and mentors and to interact with youth;

9           (5) Training youth in life, academic, work readiness, and  
10          critical thinking skills; and

11          (6) Providing armories located in local communities as  
12          patriotic and positive safe havens for youth.

13          These programs and services are provided after school, and  
14 during other non-school hours as required by Temporary  
15 Assistance for Needy Families regulations.

16          The legislature further finds that the about face family of  
17 programs improves the morale of soldiers who participate in the  
18 programs, while at the same time fulfilling the Hawaii national

1 guard's community support mission in accordance with the  
2 adjutant general's leadership philosophy. The hiring of Hawaii  
3 national guard members, their spouses, and dependents also  
4 provides support to Hawaii national guard families. Funding for  
5 the about face family of programs creates up to three times the  
6 cost of funding in economic benefits within host communities,  
7 and use of the Hawaii national guard facilities infrastructure  
8 multiplies the benefits of those facilities. About face program  
9 skills training helps to break the family cycle of dependency on  
10 public assistance, creates a business environment conducive to  
11 economic opportunity, and enhances the quality of life in host  
12 communities.

13 The purpose of this Act is to ensure that funding is  
14 available to continue the operation of the about face family of  
15 programs in fiscal years 2009-2010 and 2010-2011.

16 SECTION 2. Of the federal fund appropriation for the  
17 department of human services, there is appropriated federal  
18 Temporary Assistance for Needy Families funds in the sum of  
19 \$ or so much thereof as may be necessary for fiscal year  
20 2009-2010 and the same sum or so much thereof as may be  
21 necessary for fiscal year 2010-2011 for the about face family of  
22 programs.

1           The sums appropriated shall be expended by the department  
2 of human services for the purposes of this Act; provided that  
3 the department of human services shall work with the state  
4 department of defense in carrying out the purposes of this Act.

5           SECTION 3. This Act shall take effect on July 1, 2020.
