20                 the taxable year ending in 1967; and

21           (C) The computation of any net operating loss  
22                 deduction for a taxable year covered by this

1 subsection shall require the further  
2 modifications stated in paragraphs (3), (4), and  
3 (5) of this subsection;

4 (3) In computing the net operating loss deduction allowed  
5 by this subsection, there shall be included in gross  
6 income the amount of interest which is excluded from  
7 gross income by subsection (a), decreased by the
