**Report Title:**

Recreational Renaissance; Special Fund

**Description:**

Establishes the Recreational Renaissance Special Fund to fund improvements and activities related to the Recreational Renaissance Program of the Department of Land and Natural Resources.

JUSTIFICATION SHEET

DEPARTMENT: Land and Natural Resources

TITLE: A BILL FOR AN ACT RELATING TO RECREATIONAL RENAISSANCE.

PURPOSE: To establish the Recreational Renaissance Special Fund to fund improvements and activities related to the Recreational Renaissance Program of the Department.

MEANS: Add a new section to chapter 171, Hawaii Revised Statutes.

JUSTIFICATION: The economic downturn and subsequent budget reductions have detrimentally affected the capital improvement programs and operations of various divisions in the Department, jeopardizing much-needed improvements and repairs to existing facilities. Beautification and enhancement of facilities have been in abeyance as mandated improvements, such as Americans With Disabilities Act compliance, removal of large capacity cesspools, and public safety actions such as rockfall removal and repair of vandalized facilities, have consumed available funds. Financially challenged, the Department believes establishing a Recreational Renaissance Special Fund will alleviate its budget shortfall and provide the catalyst in future revenue enhancement to support the elevation of our land and ocean recreational facilities into world class experiences for our residents and visitors. Provisions in the establishment of the Recreational Renaissance Special Fund identify sources of revenues and how moneys collected may be expended. Moneys collected will be expended to benefit various recreational facilities ultimately benefitting the public.

Impact on the public: Safer recreational facilities, ultimately, enhanced recreational facilities.

Impact on the department and other agencies: Provides a depository for various sources of funding to be used toward the Department's Recreational Renaissance Program.

GENERAL FUND: None.

OTHER FUNDS: \$1,500,000 in special funds for Fiscal Year 2010-2011.

PPBS PROGRAM DESIGNATION: LNR 101, LNR 801, LNR 804, LNR 806, LNR 906.

OTHER AFFECTED AGENCIES: Department of Budget and Finance.

EFFECTIVE DATE: Upon approval.
