
A BILL FOR AN ACT

RELATING TO JUVENILE COURT RECORDS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that while the State's
2 policy of confidentiality involving court records of minors
3 should be protected, a limited exception is needed in cases
4 involving serious acts of violence committed by minors that
5 could jeopardize the safety and welfare of Hawaii's citizens.
6 Even in these selected cases, the dissemination of criminal
7 records of minors should be as limited as possible and
8 consistent with the State's policy of supporting the minor in an
9 appropriate manner while balancing the need to protect
10 potentially vulnerable school staff and other students.

11 The purpose of this Act is to:

- 12 (1) Allow limited accessibility by public and private
13 school officials to information contained in court
14 records of minors who are law violators; and
15 (2) Require notification from a court to appropriate
16 school officials under sections 571-84 and 571-84.6,
17 Hawaii Revised Statutes.

1 SECTION 2. Section 571-84, Hawaii Revised Statutes, is
2 amended by amending subsections (a) and (b) to read as follows:

3 "(a) The court shall maintain records of all cases brought
4 before it. Except as provided in section 571-84.6, in
5 proceedings under section 571-11 and in paternity proceedings
6 under chapter 584, the following records shall be withheld from
7 public inspection: the court docket, petitions, complaints,
8 motions, and other papers filed in any case; transcripts of
9 testimony taken by the court; and findings, judgments, orders,
10 decrees, and other papers other than social records filed in
11 proceedings before the court. The records other than social
12 records shall be open to inspection: by the parties and their
13 attorneys, by an institution or agency to which custody of a
14 minor has been transferred, and by an individual who has been
15 appointed guardian; with consent of the judge, by persons having
16 a legitimate interest in the proceedings from the standpoint of
17 the welfare of the minor; and, pursuant to order of the court or
18 the rules of court, by persons conducting pertinent research
19 studies, and by persons, institutions, and agencies having a
20 legitimate interest in the protection, welfare, treatment, or
21 disposition of the minor. For the purposes of this subsection,

1 "persons, institutions, and agencies" includes public and
2 private school officials.

3 (b) Reports of social and clinical studies or examinations
4 made pursuant to this chapter shall be withheld from public
5 inspection, except that information from these reports may be
6 furnished, in a manner determined by the judge, to persons and
7 governmental and private agencies and institutions conducting
8 pertinent research studies or having a legitimate interest in
9 the protection, welfare, treatment, or disposition of the minor.
10 For the purposes of this subsection, "persons and governmental
11 and private agencies and institutions" includes public and
12 private school officials."
