# HOUSE CONCURRENT RESOLUTION

REQUESTING AN AUDIT OF THE EMPLOYER-UNION HEALTH BENEFITS TRUST  
FUND.

1           WHEREAS, the Board of Trustees of the Employer-Union Health  
2 Benefits Trust Fund approved a series of prescription drug  
3 program changes that became effective July 1, 2009; and  
4

5           WHEREAS, one of the changes is the adoption of a  
6 maintenance mail order program, under which health plan  
7 participants are eventually required to obtain their maintenance  
8 medications through a Florida-based mail order pharmacy  
9 following either three separate thirty-day fills or one ninety-  
10 day fill for each maintenance medication at a local retail  
11 pharmacy; and  
12

13           WHEREAS, under the maintenance mail order program, the  
14 participants receive up to a ninety-day supply of prescription  
15 medication for one mail order co-payment; and  
16

17           WHEREAS, the Board of Trustees instituted the change in the  
18 health benefits plan in order to provide cost saving  
19 opportunities for the Employer-Union Health Benefits Trust Fund  
20 while continuing to provide comprehensive prescription drug  
21 coverage to participants; and  
22

23           WHEREAS, the change in the health benefits plan has been  
24 estimated to cause local retail pharmacies to incur a revenue  
25 loss of at least five per cent; now, therefore,  
26

27           BE IT RESOLVED by the House of Representatives of the  
28 Twenty-fifth Legislature of the State of Hawaii, Regular Session  
29 of 2010, the Senate concurring, that the State Auditor is  
30 requested to perform a financial and program audit of the  
31 portions of the health benefits plan of the Employer-Union  
32 Health Benefits Trust Fund that require active employees and
