
A BILL FOR AN ACT

RELATING TO THE RIGHTS OF VICTIMS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that under the basic bill
2 of rights of crime victims and witnesses in chapter 801D, Hawaii
3 Revised Statutes, victims and surviving immediate family members
4 of crime, upon their written request, must be notified of "major
5 developments" in the case and whenever the defendant or
6 perpetrator is released from custody; provided that the crime
7 charged is a felony. This right of crime victims and their
8 surviving immediate family members does not depend on whether
9 the person has actually been convicted of that crime, since the
10 term "crime" is defined in that chapter as an act or omission
11 committed by an adult or juvenile that would constitute an
12 offense against the person under the Hawaii penal code.

13 However, the definition of "major developments" in that
14 chapter is vague with respect to whether that term includes such
15 events as a finding that the perpetrator is deemed unfit to
16 stand trial, has been transferred to the state hospital or other
17 psychiatric institution, or has been rehabilitated and
18 transferred back to the jurisdiction of the county for

1 resumption of penal proceedings upon regaining fitness to
2 proceed. While the definition of that term includes "the
3 disposition of the case", this phrase arguably does not include
4 these other developments.

5 Consequently, a victim or surviving immediate family member
6 of a felony conceivably may not be notified if a defendant or
7 perpetrator is found unfit to proceed, acquitted, or transferred
8 to the state hospital or other facility, since these events are
9 not specifically included in the definition of "major
10 developments". The legislature finds that these crime victims
11 and their families should be notified under these circumstances
12 and should be further notified of the date of the resumption of
13 penal proceedings, should the defendant or perpetrator be
14 subsequently deemed fit to proceed.

15 Accordingly, the purpose of this Act is to amend the
16 definition of "major developments" to include unfitness to stand
17 trial or acquittal by reason of physical or mental disease,
18 disorder, or defect; transfer to the state hospital or other
19 psychiatric facility; or regaining fitness to proceed.

20 SECTION 2. Section 334-2.5, Hawaii Revised Statutes, is
21 amended by amending subsection (b) to read as follows:

1 "(b) The department may operate or contract for a secure
2 psychiatric rehabilitation program for individuals who require
3 intensive therapeutic treatment and rehabilitation in a secure
4 setting. The services authorized by this section shall be for
5 persons:

6 (1) Involuntarily hospitalized under this chapter for whom
7 the services cannot be reimbursed, covered, or
8 provided by an insurer, plan, or other person;

9 (2) Committed to the custody of the director under chapter
10 704; and

11 (3) Appropriately hospitalized under chapter 704 or 706.

12 The director shall be responsible for the appropriate
13 placement of all persons placed in facilities or services
14 contracted for or operated by the director under paragraphs (1)
15 through (3).

16 Any such person placed in a facility or services contracted
17 for or operated by the director who leaves or remains away from
18 the facility or services, without permission, may be apprehended
19 and returned to the facility or services by any employee of the
20 department or by any police officer without any warrant or
21 further proceeding.

1 Upon the unauthorized absence of any such person, the
2 director shall notify the victim witness assistance division of
3 the applicable county department of the prosecuting attorney
4 within one hour of ascertaining that person's absence. Upon
5 written request, the victim witness assistance division of the
6 applicable county department of the prosecuting attorney shall
7 give notice by the most reasonable and expedient means available
8 to each victim or surviving immediate family member of any
9 unauthorized absence of any person placed in a facility or
10 services contracted by or operated by the director.

11 No failure of any state officer or employee to carry out
12 the requirements of this subsection shall subject the State or
13 any employee to liability in any civil action; provided that the
14 failure may provide a basis for disciplinary action as may be
15 deemed appropriate by competent authority."

16 SECTION 3. Section 801D-2, Hawaii Revised Statutes, is
17 amended by amending the definition of "major developments" to
18 read as follows:

19 "Major developments" means arrest or release of the suspect
20 by the police, case deferral by the police, referral to the
21 prosecutor by the police, rejection of the case by the

1 prosecutor, preliminary hearing date, grand jury date, trial and
2 sentencing dates, and the disposition of the case.

3 The term "major developments" also includes the following
4 events:

5 (1) The offender is found unfit to proceed or acquitted on
6 the grounds of physical or mental disease, disorder,
7 or defect under chapter 704;

8 (2) Following a finding of unfitness to proceed or
9 acquittal under paragraph (1), the offender is
10 subsequently:

11 (A) Released or otherwise discharged from custody; or

12 (B) Committed to the custody of the director of
13 health for placement in an appropriate public or
14 private institution, including:

15 (i) State facilities established under chapter
16 334;

17 (ii) A psychiatric facility, special treatment
18 facility, or therapeutic living program, as
19 those terms are defined in section 334-1; or

20 (iii) Any other public or private facility or
21 institution, whether on an inpatient or
22 outpatient basis, for the care, custody,

1 diagnosis, treatment, or rehabilitation of
2 the offender; or

3 (3) The offender has regained fitness to proceed pursuant
4 to section 704-406(2), including the date on which the
5 penal proceedings are to be resumed."

6 SECTION 4. Section 801D-4, Hawaii Revised Statutes, is
7 amended by amending subsection (a) to read as follows:

- 19 (6) To have any stolen or other personal property

20 occurring to the custodial status to the victim
21 witness assistance division of the applicable county
