A BILL FOR AN ACT

RELATING TO CANCER.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the Hawaii breast
2 and cervical cancer control program was established in 1997 to
3 provide breast and cervical cancer screening. Since that time,
4 the Hawaii breast and cervical cancer control program,
5 administered by the department of health, and the breast and
6 cervical cancer treatment program, administered by the
7 department of human services, have worked together to help
8 screen and treat low income, uninsured, but non-medicaid
9 eligible women in Hawaii for breast and cervical cancer.

10 Chapter 346, Hawaii Revised Statutes, was amended in 2001
11 to provide for a breast and cervical cancer treatment program to
12 be administered by the department of human services for women
13 who are not eligible for federally-funded medicaid coverage as
14 provided by the Breast and Cervical Cancer Prevention and
15 Treatment Act of 2000. Act 278, Session Laws of Hawaii 2001,
16 also provided state funding for those not eligible for treatment
17 under the federal program. In addition to this treatment

1 program, it is necessary to provide funding to be used for
2 breast and cervical cancer screening, education, and outreach by
3 the department of health in order to reach more women who are
4 eligible to be screened under the screening program and thereby
5 be eligible to be treated under this treatment program. In
6 2008, the legislature authorized transfer of unauthorized
7 treatment funds from the department of human services to the
8 department of health. However, the transfer was denied by the
9 administration.

10 The purpose of this Act is to provide funding for breast
11 and cervical cancer screening, education, and outreach to the
12 department of health to reach more women who are eligible to be
13 screened for breast and cervical cancers.

14 SECTION 2. There is appropriated out of the general
15 revenues of the State of Hawaii the sum of \$150,000 or so much
16 thereof as may be necessary for fiscal year 2009-2010 and the
17 same sum or so much thereof as may be necessary for fiscal year
18 2010-2011 to the department of health for breast cancer
19 screening, education, and outreach.

20 The sums appropriated shall be expended by the department
21 of health for the purposes of this Act.

S.B. NO. 780

1 SECTION 3. This Act shall take effect on July 1, 2009.
