

JAN 2 2 2010

SENATE CONCURRENT RESOLUTION

EXPRESSING SUPPORT FOR LOCAL ACCOUNTABILITY OF DRUG FORMULARIES
AND DRUG PRIOR AUTHORIZATION POLICIES.

1 WHEREAS, some Hawaii insurance plans are now outsourcing
2 determination of drug formularies and drug prior authorization
3 policies to out-of-state pharmacy benefit managers; and
4

5 WHEREAS, many of these policies are unreasonable and
6 administratively burdensome for doctors, pharmacies, and
7 patients; and
8

9 WHEREAS, out-of-state pharmacy benefit managers typically
10 have no accountability to Hawaii physicians, pharmacists, and
11 patients for the adverse effects of their policies; and
12

13 WHEREAS, the severe administrative burdens of unreasonable
14 pharmacy policies are driving Hawaii physicians to limit
15 acceptance of health insurance plans with such policies, which
16 often affects patient access to appropriate care; now,
17 therefore,
18

19 BE IT RESOLVED by the Senate of the Twenty-fifth
20 Legislature of the State of Hawaii, Regular Session of 2010, the
21 House of Representatives concurring, that the Legislature
22 supports the maintenance of locally-based pharmacy and
23 therapeutics committees with at least seventy per cent of
24 membership comprised of Hawaii-licensed physicians and
25 pharmacists who are actively engaged in the practice of medicine
26 or pharmacy within the State and which are empowered to make
27 decisions on drug formulary and drug prior authorization
28 policies of all health insurance plans doing business in Hawaii,
29 including those under contract with Hawaii Med-QUEST; and
30
31

1 BE IT FURTHER RESOLVED that certified copies of this
2 Concurrent Resolution be transmitted to the Insurance
3 Commissioner and the Director of Commerce and Consumer Affairs.
