# SENATE CONCURRENT RESOLUTION

REQUESTING THE AUDITOR TO CONDUCT A FOLLOW-UP AUDIT OF THE  
MANAGEMENT OF STATE BOATING FACILITIES BY THE DIVISION OF  
BOATING AND OCEAN RECREATION OF THE DEPARTMENT OF LAND AND  
NATURAL RESOURCES.

1           WHEREAS, small boat harbors and boating facilities are part  
2 of the State's ocean recreation and coastal areas programs  
3 established in Chapter 200, Hawaii Revised Statutes, and are  
4 managed by the Department of Land and Natural Resources'  
5 Division of Boating and Ocean Recreation (Boating Division); and  
6

7           WHEREAS, the proper operation and maintenance of small boat  
8 harbors allows the public to benefit from the State's natural  
9 resources by engaging in recreational boating, commercial and  
10 personal fishing, and maritime-related business operations; and  
11

12           WHEREAS, residents and visitors alike use boating  
13 facilities to participate in ocean-based activities such as  
14 yacht races, canoe regattas, ocean swimming, and surfing and  
15 board sailing contests; and  
16

17           WHEREAS, inadequate management of state boating facilities  
18 has been a recurring problem, as cited in Auditor Report No.  
19 01-09, "Audit of the Management of State Boating Facilities by  
20 the Department of Land and Natural Resources"; and  
21

22           WHEREAS, the Auditor's audit report of 1993 and its follow-  
23 up audit report and audit report of 1998 also attest to the  
24 problem of inadequate management, which changed little in the  
25 2001 or 2006 audit reports; and  
26

27           WHEREAS, the Boating Division's mismanagement and neglect  
28 has deteriorated boating facilities to the point where their  
29 continued use threatens public safety; and  
30

1 WHEREAS, of all the State's small boat harbors, perhaps the  
2 best known is Ala Wai Harbor in Honolulu; and  
3

4 WHEREAS, the Ala Wai Harbor facilities are in effect  
5 dysfunctional and are causing the State to lose fee revenues;  
6 and  
7

8 WHEREAS, the Ala Wai Harbor facilities, like many of the  
9 State's other harbors, need major repairs; and  
10

11 WHEREAS, the 2001 Auditor's report also found that the  
12 Boating Division lacked adequate controls to ensure the accuracy  
13 and integrity of its financial affairs, such as determining the  
14 cost of operating its boating facilities; and  
15

16 WHEREAS, in response to the 2001 Auditor's report, the  
17 Legislature enacted Act 285, Session Laws of Hawaii 2001,  
18 codified as section 200-19, Hawaii Revised Statutes, to allow  
19 for private financing of small boat harbor improvements by  
20 execution of a capital advancement contract between the Board of  
21 Land and Natural Resources and a private party; and  
22

23 WHEREAS, Act 259, Session Laws of Hawaii 2001, appropriated  
24 the sum of \$2,000,000 for fiscal year 2001-2002 and the sum of  
25 \$3,000,000 for fiscal year 2002-2003 for repair and maintenance  
26 of small boat harbor facilities; and  
27

28 WHEREAS, Act 41, Session Laws of Hawaii 2004, appropriated  
29 the sum of \$9,000,000 for fiscal year 2004-2005 for improvements  
30 at various existing boating facilities throughout the State and  
31 other berthing and shore facilities including boat ramps; and  
32

33 WHEREAS, Act 178, Session Laws of Hawaii 2005, appropriated  
34 the sum of \$5,000,000 for fiscal year 2005-2006 for improvements  
35 at various boating facilities; and  
36

37 WHEREAS, Act 213, Session Laws of Hawaii 2007, appropriated  
38 the sum of \$1,840,000 for fiscal biennium 2007-2009 for  
39 improvements at various boating facilities; and  
40

41 WHEREAS, the portion of Auditor Report No. 06-04,  
42 "Financial Audit of the Department of Land and Natural  
43 Resources", relating to the operation and management of the  
44 Division of Boating and Ocean Recreation, found that although

1 some of the prior recommendations had been implemented, the  
2 absence of effective management oversight continues to plague  
3 the Boating Division; and  
4

5 WHEREAS, in spite of the Legislature's continued efforts to  
6 rectify the problem of repair, maintenance, and management of  
7 the boat harbors, problems continue to persist; now, therefore,  
8

9 BE IT RESOLVED by the Senate of the Twenty-fifth  
10 Legislature of the State of Hawaii, Regular Session of 2010, the  
11 House of Representatives concurring, that the Auditor is  
12 requested to conduct a follow-up audit to the 2001 Audit of the  
13 Management of State Boating Facilities by the Department of Land  
14 and Natural Resources (Report No. 01-09) and the portion of the  
15 2006 Financial Audit of the Department of Land and Natural  
16 Resources (Report No. 06-04) relating to the Division of Boating  
17 and Ocean Recreation, particularly as it applies to the Ala Wai  
18 Harbor; and  
19

20 BE IT FURTHER RESOLVED that the Auditor is requested to  
21 report findings and recommendations to the Legislature not later  
22 than twenty days prior to the convening of the Regular Session  
23 of 2011; and  
24

25 BE IT FURTHER RESOLVED that certified copies of this  
26 Concurrent Resolution be transmitted to the Chairperson of the  
27 Board of Land and Natural Resources and the Auditor.
