**Report Title:**

County Licenses; Department of Health Certificates

**Description:**

Repeals the requirement for a sanitation certificate to be issued for county business licenses for the operation of a lodging or tenement house, group home, group residence, group living arrangement, hotel, or boarding house. The City and County of Honolulu no longer requires business licenses for these facilities because of Act 35, Session Laws of Hawaii 2001, so the sanitation certificate is unnecessary for Oahu. The counties of Kauai, Maui, and Hawaii never required a sanitation certificate for these types of businesses.
