Report Title:
Death Benefits

Description:

To provide a State lump-sum death benefit in an amount equal to the Social Security Administration's Lump-Sum Death Benefit for deceased medical or financial assistance recipients who are ineligible for the Social Security Administration benefit.

JUSTIFICATION SHEET

DEPARTMENT: Human Services

TITLE: A BILL FOR AN ACT RELATING TO DEATH BENEFITS.

PURPOSE: To use the federal Social Security Administration's Lump-Sum Death Benefit as a model to restructure and right-size the State's funeral payment benefit for medical and financial assistance recipients.

MEANS: Amend section 346-15, Hawaii Revised Statutes.

JUSTIFICATION: The federal Social Security Administration currently provides a lump-sum death benefit of \$255 to surviving relatives of eligible individuals who have 40 quarters of work history or are receiving monthly Social Security benefits.

DHS currently provides a fully state-funded funeral payment of up to \$800 to surviving relatives to defray the mortuary and burial services costs for medical and financial assistance recipients who do not qualify for a federal death benefit at the time of their death.

The proposed amendment will require the State to provide a lump-sum death benefit identical to the federal Social Security Administration's lump-sum death benefit. This change will result in an estimated cost savings of approximately \$430,000 in state funds per year, as well as bring parity in the level of government assistance provided to all medical and financial assistance recipients.

This bill also simplifies the eligibility determination process.

HB 2565

The disposition of unclaimed bodies and costs remains unchanged in this proposed bill.

Impact on the public: The proposed amendment will ensure a standard of equal treatment of both state and federal governmental benefits.

Impact on the department and other agencies:
None.

GENERAL FUND: The proposed amendment will decrease annual state fund expenditures by approximately \$430,000.

OTHER FUNDS: None.

PPBS PROGRAM DESIGNATION: HMS 401

OTHER AFFECTED AGENCIES: None.

EFFECTIVE DATE: Upon approval.
