## A BILL FOR AN ACT

RELATING TO LOBBYISTS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that section 97-3, Hawaii  
2 Revised Statutes, requires a lobbyist to file a statement of  
3 expenditures that includes expenditures made by the lobbyist, as  
4 well as contributions made to the lobbyist, for the purpose of  
5 lobbying in the total sum of \$25 during the statement period.

6           Section 84-11, Hawaii Revised Statutes, also prohibits  
7 legislators and employees from receiving a gift under  
8 circumstances in which it can reasonably be inferred that the  
9 gift is intended to influence the legislator or employee in the  
10 performance of the legislator's or employee's official duties or  
11 is intended as a reward for any official action on the  
12 legislator's or employee's part.

13           In recent years, public officials and employees subject to  
14 the state ethics code, chapter 84, Hawaii Revised Statutes, have  
15 received contributions, including gifts, that have not been  
16 reported because the lobbyist did not seek to lobby these  
17 persons on a specific matter. The legislature finds that gifts

1 from lobbyists to public officials assist in developing positive  
2 relationships that aid in lobbyists' later efforts to influence  
3 the actions of these officials. The legislature further finds  
4 that contributions from lobbyists to persons subject to chapter  
5 84, Hawaii Revised Statutes, should be disclosed regardless of  
6 the intent of the contribution.

7 The purpose of this Act is to require the reporting of  
8 lobbyists' contributions made to persons subject to chapter 84,  
9 Hawaii Revised Statutes, regardless of the total sum or value,  
10 or the intent of the contribution.

11 SECTION 2. Chapter 97, Hawaii Revised Statutes, is amended  
12 by adding a new section to be appropriately designated and to  
13 read as follows:

14 "§97- Lobbyists' reporting of contributions. (a)  
15 Notwithstanding other reporting requirements, every lobbyist  
16 shall file a contribution disclosure statement with the state  
17 ethics commission on June 30 of each year.

18 (b) The contribution disclosure statement shall include  
19 all contributions as defined in section 97-1, regardless of the  
20 intent of the contribution and whether in the form of money,  
21 service, loan, travel, entertainment, hospitality, thing, or

1 promise, or in any other form, that the lobbyist gives to a  
2 person subject to chapter 84."

3 SECTION 3. New statutory material is underscored.

4 SECTION 4. This Act shall take effect on July 1, 2010.
