
A BILL FOR AN ACT

RELATING TO EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that pursuant to Act 219,
2 Session Laws of Hawaii 2004, a two-tier junior kindergarten and
3 kindergarten program was established with the requirement that a
4 developmentally appropriate curriculum be implemented for each
5 tier. The program was intended to be flexible enough to allow
6 junior kindergarten students to participate in kindergarten if
7 they are ready and to allow students who require additional
8 support to move from kindergarten to junior kindergarten. The
9 department of education was tasked with assisting schools in the
10 development of the two-tier program with pilot strategies
11 encouraged during the 2005-2006 school year and full
12 implementation required beginning in the 2006-2007 school year.

13 The legislature further finds that since the enactment of
14 Act 219, the two-tier program has not been clearly established
15 for junior kindergarteners. Instead, junior kindergarteners are
16 being taught the kindergarten curriculum, no criteria has been
17 established for passing junior kindergartners to the first

1 grade, and junior kindergarteners are being permitted to go
2 straight to the first grade despite the fact that they may not
3 be prepared or may need further support or assistance before
4 transitioning. In enacting Act 219, the legislature intended to
5 provide for a curriculum that specifically addressed the needs
6 of junior kindergarteners, as children of ages four and five
7 possess differing skill sets and social and emotional maturity
8 levels.

9 The purpose of this Act is to:

- 10 (1) Prohibit the movement of junior kindergarten and
11 kindergarten students between tiers, except under
12 certain circumstances;
- 13 (2) Prohibit a junior kindergartener from directly
14 graduating to the first grade, except under certain
15 circumstances;
- 16 (3) Ensure that an appropriate curriculum is established
17 for the junior kindergarten students;
- 18 (4) Require the department of education to staff junior
19 kindergartens with qualified teachers with early
20 childhood education backgrounds and experience and
21 teacher aides;

- 1 (5) Require the incorporation of the Hawaii preschool
2 content standards for four-year-olds and kindergarten
3 content and performance standards;
- 4 (6) Appropriate funds for teacher professional
5 development; and
- 6 (7) Appropriate funds for a permanent educational
7 specialist to focus on early childhood education
8 issues.

9 SECTION 2. Section 302A-411, Hawaii Revised Statutes, is
10 amended to read as follows:

11 **"§302A-411 Junior kindergarten and kindergarten program;

13 one. Junior kindergarten students may graduate directly to
14 grade one when promotion is based on appropriate assessments and
15 other progress data collected over time.

16 (c) The program shall include curricula for junior
17 kindergarten and kindergarten students that are tailored to the
18 specific needs and abilities of students in each tier. In
19 developing the choices of curriculum for the junior kindergarten
20 tier, the department shall incorporate the Hawaii preschool
