
A BILL FOR AN ACT

RELATING TO AFFORDABLE HOUSING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature recognizes that the need for
2 more affordable housing in Hawaii remains a significant problem
3 affecting all segments of society. Although there is a process
4 in place that provides an opportunity for expedited state and
5 county land use and zoning approvals for affordable housing
6 projects, the ministerial permits that are issued subsequent to
7 project approval may take a significant amount of time to issue.
8 This delay adds costs to the affordable housing project,
9 ultimately affecting the buyer or renter, and lengthens the time
10 it takes for the unit to be constructed and occupied.

11 In August 2007, Hawaii accepted the invitation by the
12 United States Department of Housing and Urban Development to
13 join the National Call to Action for Affordable Housing Through
14 Regulatory Reform. The Call to Action presented an opportunity
15 for Hawaii to receive technical assistance from the federal
16 government and collaborate with other states, counties,
17 municipalities, and organizations to knock down the barriers

1 imposed by governments in hopes of building more affordable
2 housing. The governor convened a statewide task force
3 comprising representatives from the counties, business, labor,
4 developers, architects, non-profit providers of services, the
5 executive branch, and the legislature to carry out the mission
6 of the Call to Action and recommend solutions to address
7 barriers to affordable housing. One of the task force's
8 proposed solutions is to require state and county agencies to
9 provide expedited reviews for affordable housing projects.

10 The purpose of this Act is to implement the legislative
11 recommendation of the Call to Action task force by placing a
12 standard timeframe on agency issuance of ministerial permits for
13 approved affordable housing projects.

14 SECTION 2. Chapter 201H, Hawaii Revised Statutes, is
15 amended by adding a new section to be appropriately designated
16 and to read as follows:

17 **"§201H- Ministerial permits; state and county review**
18 **deadline.** (a) State and county agencies shall issue any
19 ministerial permit associated with any project approved pursuant
20 to section 201H-38 or section 46-15.1 within sixty days from the
21 date of receipt of a permit application deemed to be complete by
22 the receiving state or county agency.

1 (b) For purposes of this section, "ministerial permit"
2 means any nondiscretionary permit for which the permit
3 administrator needs to determine conformity with applicable
4 ordinances before approving the project."

5 SECTION 3. Section 46-15.1, Hawaii Revised Statutes, is
6 amended to read as follows:

7 **"§46-15.1 Housing; county powers.** (a) Any law to the
8 contrary notwithstanding, any county shall have and may exercise
9 the same powers, subject to applicable limitations, as those
10 granted the Hawaii housing finance and development corporation
11 pursuant to chapter 201H insofar as those powers may be
12 reasonably construed to be exercisable by a county for the
13 purpose of developing, constructing, and providing low- and
14 moderate-income housing; provided that no county shall be
15 empowered to cause the State to issue general obligation bonds
16 to finance a project pursuant to this section; provided further
17 that county projects shall be granted an exemption from general
18 excise or receipts taxes in the same manner as projects of the
19 Hawaii housing finance and development corporation pursuant to
20 section 201H-36; and provided further that section 201H-16 shall
21 not apply to this section unless federal guidelines specifically
22 provide local governments with that authorization and the

1 authorization does not conflict with any state laws. The powers
2 shall include the power, subject to applicable limitations, to:

3 (1) Develop and construct dwelling units, alone or in
4 partnership with developers;

5 (2) Acquire necessary land by lease, purchase, exchange,
6 or eminent domain;

7 (3) Provide assistance and aid to a public agency or other
8 person in developing and constructing new housing and
9 rehabilitating existing housing for elders of low- and

12 action, by making long-term mortgage or interim
13 construction loans available;

14 (4) Contract with any eligible bidders to provide for

1 of the United States to induce those officials to
2 commit to insure or to insure mortgages under the
3 National Housing Act, as amended;

5 downpayment required by a private lender to be made by
6 the borrower as a condition of obtaining a loan from
7 the private lender in the purchase of residential
8 property;

9 (8) Provide funds for a share, not to exceed fifty per
10 cent, of the principal amount of a loan made to a
11 qualified borrower by a private lender who is unable
12 otherwise to lend the borrower sufficient funds at
13 reasonable rates in the purchase of residential
14 property; and

15 (9) Sell or lease completed dwelling units.

16 For purposes of this section, a limitation is applicable to
17 the extent that it may reasonably be construed to apply to a
18 county.

19 (b) Each county shall issue any ministerial permit
20 associated with any project approved pursuant to section 201H-38
21 or this section within sixty days from the date of receipt of a

1 permit application deemed to be complete by the receiving county
2 agency.

3 [~~(b)~~] (c) Each county shall issue affordable housing

8 for one-unit basis. The credits may be applied county-wide
9 within the same county in which the credits were earned to
10 satisfy affordable housing obligations imposed by the county on
11 market priced residential and non-residential developments.

12 [~~(e)~~] (d) Any law to the contrary notwithstanding, any
13 county may:

14 (1) Authorize and issue bonds under chapter 47 and chapter

10 (6) Adopt rules pursuant to chapter 91 as are necessary to
11 carry out the purposes of this section.

12 [~~(d)~~] (e) The provisions of this section shall be
