
A BILL FOR AN ACT

RELATING TO THE EMERGENCY AND BUDGET RESERVE FUND.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the national and
2 global economic crisis that began in the second half of 2008 has
3 caused significant economic problems in numerous industries in
4 the state, including the airline, cruise ship, tourist, and
5 construction industries. Mass layoffs have been reported by an
6 increasing number of Hawaii businesses statewide, from the
7 agricultural sector to the medical-services sector. Hawaii's
8 automobile dealers have cut fifteen per cent of their workforce,
9 and that percentage could double in the future. Financial
10 uncertainty has led to fewer visitor arrivals and lower hotel
11 occupancy rates, resulting in layoffs and reductions in employee
12 hours. Furthermore, recent forecasts show that the situation
13 will worsen with a continued decline in employment, personal
14 income, and visitor arrivals, as well as rising inflation.

15 Difficult economic times and declining tax revenues have
16 resulted in budget cuts for all state services. State
17 departments have been asked to lower their budget proposals by
18 up to twenty per cent. The department of education faces a

1 possible \$100,000,000 shortfall for the next academic year and
2 funding has been discontinued for science textbooks and
3 materials, literacy training programs for learning-disabled
4 children, as well as for speech pathologists, occupational and
5 physical therapists, and more than two hundred other positions.

6 The department of health has projected a \$25,000,000
7 shortfall for mental health services in the current fiscal year.
8 Funding has been eliminated for the healthy start program,
9 totaling approximately \$22,000,000 for the biennium.

10 Additionally, the governor has discontinued funding for the
11 Hawaii children's health care program, which may leave an
12 estimated one thousand five hundred gap group children without
13 access to affordable health care.

14 The current and impending situation jeopardizes the safety
15 net of basic human services, health, and education needs for
16 Hawaii's residents and families. While all of Hawaii's
17 residents will be affected by the situation, gap group families
18 and families closest to the poverty line will suffer the most.

19 In Act 304, Session Laws of Hawaii 1999, the legislature
20 established the emergency and budget reserve fund as a temporary
21 supplemental source of funding for the State of Hawaii in times
22 of emergency, economic downturn, or unforeseen reduction in

1 revenues. As set forth in section 328L-3, Hawaii Revised
2 Statutes, specific purposes for the fund include maintaining
3 levels of programs determined to be essential to public health,
4 safety, welfare, and education. Act 304 also included certain
5 prohibitions on appropriations from the emergency and budget
6 reserve fund. Appropriations for the following purposes are
7 specifically prohibited:

- 8 (1) To meet expenses of the legislature;
- 9 (2) To provide for salary adjustments for officials
10 appointed pursuant to article V, section 6 or article
11 VI, section 3 of the Hawaii Constitution and for
12 others whose salaries are directly related to salaries
13 of these officials; and
- 14 (3) To fund cost items in any collective bargaining
15 contract.

16 The legislature finds that expenditures from the emergency
17 and budget reserve fund are needed to meet the conditions of
18 emergency, economic downturn, and unforeseen reduction in
19 revenues that the State currently faces. Further, the
20 legislature finds that the appropriations in this Act are
21 consistent with the purposes of the emergency and budget reserve
22 fund.

1 Therefore, given the current economic crisis and
2 concomitant budget deficit, the purpose of this Act is to
3 appropriate moneys from the emergency and budget reserve fund of
4 the State of Hawaii to maintain the levels of programs
5 determined to be essential to education, public health, and
6 public welfare.
