

JAN 22 2010

S.B. NO. 2506

A BILL FOR AN ACT

RELATING TO MEDICAL GIFTS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that pharmaceutical and
2 medical equipment companies have historically given gifts to
3 medical practitioners and have funded educational seminars and
4 conferences. While these activities can serve important and
5 beneficial functions, there has been a growing concern that
6 gifts and expenditures may inappropriately influence doctors'
7 prescribing decisions and may not be consistent with the
8 principles of medical ethics.

9 Studies have shown that even the smallest gifts create what
10 researchers call a "demand for reciprocity," and ninety-four per
11 cent of America's prescribers have received such gifts. Doctors
12 who attend talks sponsored by pharmaceutical companies often
13 prescribe that company's drug more than a competitor's drug, and
14 doctors are encouraged to prescribe newer, more expensive, and
15 potentially more dangerous drugs instead of adhering to
16 evidence-based treatment procedures.

1 The legislature further finds that the lack of transparency
2 and limitations on gifts from pharmaceutical companies to
3 doctors tends to undermine patient confidence in health care
4 providers and increase health care costs by influencing
5 prescribing patterns. Requirements are now needed to save money
6 for consumers, businesses, and the State by reducing the
7 promotion of expensive prescription drugs, biological products,
8 and medical devices, and to protect public health by reducing
9 sales-oriented information to prescribers.

10 The purpose of this Act is to increase transparency for
11 consumers and reduce real or perceived conflicts of interest by
12 providing limitations on gifts and by requiring disclosure of
13 allowable expenditures and gifts to health care providers and
14 facilities providing health care.

15 SECTION 2. The Hawaii Revised Statutes is amended by
16 adding a new chapter to be appropriately designated and to read
17 as follows:

18 "CHAPTER

19 GIFTS BY MANUFACTURERS OF PRESCRIBED PRODUCTS

20 § -1 Definitions. (a) As used in this chapter:

21 "Allowable expenditures" means:

- 1 (1) Payment to the sponsor of a significant educational,
2 medical, scientific, or policy-making conference or
3 seminar, provided:
- 4 (A) The payment is not made directly to a health care
5 provider;
- 6 (B) Funding is used solely for bona fide educational
7 purposes; and
- 8 (C) All program content is objective, free from
9 industry control, and does not promote specific
10 products;
- 11 (2) Honoraria and payment of the expenses of a health care
12 professional who serves on the faculty at a bona fide
13 significant educational, medical, scientific, or
14 policy-making conference or seminar, provided:
- 15 (A) There is an explicit contract with specific
16 deliverables which are restricted to medical
17 issues, not marketing activities; and
- 18 (B) The content of the presentation, including slides
19 and written materials, is determined by the
20 health care professional;
- 21 (3) For a bona fide clinical trial:

- 1 (A) Gross compensation for the location or locations
2 in the State involved;
- 3 (B) Direct salary support per principal investigator
4 and other health care professionals per year; and
- 5 (C) Expenses paid on behalf of investigators or other
6 health care professionals paid to review the
7 clinical trial;
- 8 (4) For a research project that constitutes a systematic
9 investigation, is designed to develop or contribute to
10 general knowledge, and reasonably can be considered to
11 be of significant interest or value to scientists or
12 health care professionals working in the particular
13 field of inquiry:
- 14 (A) Gross compensation;
- 15 (B) Direct salary support per health care
16 professional; and
- 17 (C) Expenses paid on behalf of each health care
18 professional;
- 19 (5) Payment or reimbursement for the reasonable expenses,
20 including travel and lodging-related expenses,
21 necessary for technical training of individual health
22 care professionals on the use of a medical device if

1 the commitment to provide those expenses and the
2 amounts or categories of reasonable expenses to be
3 paid are described in a written agreement between the
4 health care provider and the manufacturer;

5 (6) Royalties and licensing fees paid to health care
6 providers in return for contractual rights to use or
7 purchase a patented or otherwise legally recognized
8 discovery for which the health care provider holds an
9 ownership right; and

10 (7) Other reasonable fees, payments, subsidies, or other
11 economic benefits provided by a manufacturer of
12 prescribed products at fair market value.

13 "Bona fide clinical trial" means a Food and Drug
14 Administration-reviewed clinical trial that constitutes
15 "research" as that term is defined in 45 C.F.R. section 46.102
16 and reasonably can be considered to be of interest to scientists
17 or health care professionals working in the particular field of
18 inquiry.

19 "Clinical trial" means any study assessing the safety or
20 efficacy of prescribed products administered alone or in
21 combination with other prescribed products or other therapies,
22 or assessing the relative safety or efficacy of prescribed

1 products in comparison with other prescribed products or other
2 therapies.

3 "Gift" means:

4 (1) Anything of value provided to a health care provider
5 for free; or

6 (2) Any payment, food, entertainment, travel,
7 subscription, advance, service, or anything else of
8 value provided to a health care provider, unless:

9 (A) It is an allowable expenditure; or

10 (B) The health care provider reimburses the cost at
11 fair market value.

12 "Health care professional" means a person, a partnership or
13 corporation made up of such a person, or an officer, employee,
14 agent, or contractor of such a person, who is authorized to
15 prescribe or to recommend prescribed products and who either is
16 licensed by this State to provide or is otherwise lawfully
17 providing health care in this State.

18 "Health care provider" means a health care professional, a
19 hospital, nursing home, pharmacist, health benefit plan
20 administrator, or any other person authorized to dispense or
21 purchase for distribution prescribed products in this State.

1 "Manufacturer" means a pharmaceutical, biological product,
2 or medical device manufacturer or any other person who is
3 engaged in the production, preparation, propagation,
4 compounding, processing, packaging, repackaging, distributing, or
5 labeling of prescribed products. The term "manufacturer" does
6 not include a wholesale distributor of biological products or a
7 pharmacist.

8 "Marketing" means promotion, detailing, or any activity
9 that is intended to be used or is used to influence sales or
10 market share or to evaluate the effectiveness of a professional
11 sales force.

12 "Pharmaceutical manufacturer" means any entity that is
13 engaged in the production, preparation, propagation,
14 compounding, conversion, or processing of prescription drugs,
15 whether directly or indirectly by extraction from substances of
16 natural origin, independently by means of chemical synthesis, or
17 by a combination of extraction and chemical synthesis, or any
18 entity engaged in the packaging, repackaging, labeling,
19 relabeling, or distribution of prescription drugs. The term
20 "pharmaceutical manufacturer" does not include a wholesale
21 distributor of prescription drugs or a pharmacist.

1 "Prescribed product" means a drug or device as defined in
2 section 201 of the federal Food, Drug and Cosmetic Act, 21
3 U.S.C. section 321, or a biological product as defined in
4 section 351 of the Public Health Service Act, 42 U.S.C. section
5 262.

6 "Significant educational, scientific, or policy-making
7 conference or seminar" means an educational, scientific, or
8 policy-making conference or seminar that:

- 9 (1) Is accredited by the Accreditation Council for
10 Continuing Medical Education or a comparable
11 organization; and
- 12 (2) Offers continuing medical education credit, features
13 multiple presenters on scientific research, or is
14 authorized by the sponsoring association to recommend
15 or make policy.

16 **§ -2 Gifts by manufacturers of prescribed products. (a)**

17 It is unlawful for any manufacturer of a prescribed product or
18 any wholesale distributor of medical devices, or any agent
19 thereof, to offer or give any gift to a health care provider.

20 (b) The prohibition set forth in subsection (a) shall not
21 apply to any of the following:

- 1 (1) Samples of a prescribed product provided to a health
2 care provider for free distribution to patients;
- 3 (2) The loan of a medical device for a short-term trial
4 period, not to exceed ninety days, to permit
5 evaluation of a medical device by a health care
6 provider or patient;
- 7 (3) The provision of reasonable quantities of medical
8 device demonstration or evaluation units to a health
9 care provider to assess the appropriate use and
10 function of the product and determine whether and when
11 to use or recommend the product in the future;
- 12 (4) The provision, distribution, dissemination, or receipt
13 of peer-reviewed academic, scientific, or clinical
14 articles or journals and other items that serve a
15 genuine educational function provided to a health care
16 provider for the benefit of patients;
- 17 (5) Scholarship or other support for medical students,
18 residents, and fellows to attend a significant
19 educational, scientific, or policy-making conference
20 or seminar of a national, regional, or specialty
21 medical or other professional association if the

1 recipient of the scholarship or other support is
2 selected by the association;

3 (6) Rebates and discounts for prescribed products provided
4 in the normal course of business; or

5 (7) Labels approved by the federal Food and Drug
6 Administration for prescribed products.

7 (c) The director of commerce and consumer affairs may
8 bring a civil action for injunctive relief, costs, and
9 attorney's fees and may impose on a manufacturer that violates
10 this section a civil penalty of not more than \$10,000 per
11 violation. Each unlawful gift shall constitute a separate
12 violation.

13 § -3 Disclosure of allowable expenditures and gifts by
14 manufacturers of prescribed products. (a) Annually, on or
15 before October 1, every manufacturer of prescribed products
16 shall disclose to the director of commerce and consumer affairs
17 for the fiscal year ending the previous June 30, the value,
18 nature, and purpose, and recipient information of:

19 (1) Any allowable expenditure or gift permitted under
20 section -2(b) to any health care provider, except:

21 (A) Royalties and licensing fees;

- 1 (B) Rebates and discounts for prescribed products
2 provided in the normal course of business;
- 3 (C) Payments for clinical trials which shall be
4 disclosed after the earlier of the date of the
5 approval or clearance of the prescribed product
6 by the Food and Drug Administration or two
7 calendar years after the date the payment was
8 made. For a clinical trial for which disclosure
9 is delayed under this subparagraph, the
10 manufacturer shall identify to the director of
11 commerce and consumer affairs the clinical trial,
12 the start date, and the web link to the clinical
13 trial registration on the national clinical
14 trials registry; and
- 15 (D) Samples of a prescription drug provided to a
16 health care professional for free distribution to
17 patients;
- 18 (2) Any allowable expenditure or gift permitted under
19 section -2(b) to an academic institution or to a
20 professional, educational, or patient organization
21 representing or serving health care providers or
22 consumers, except:

- 1 (A) Royalties and licensing fees;
- 2 (B) Rebates and discounts for prescribed products
- 3 provided in the normal course of business;
- 4 (C) Payments for clinical trials which shall be
- 5 disclosed after the earlier of the date of the
- 6 approval or clearance of the prescribed product
- 7 by the Food and Drug Administration or two
- 8 calendar years after the date the payment was
- 9 made. For a clinical trial for which disclosure
- 10 is delayed under this subparagraph, the
- 11 manufacturer shall identify to the director of
- 12 commerce and consumer affairs the clinical trial,
- 13 the start date, and the web link to the clinical
- 14 trial registration on the national clinical
- 15 trials registry; and
- 16 (D) Samples of a prescription drug provided to a
- 17 health care professional for free distribution to
- 18 patients.

19 (b) Annually, on or before July 1, each manufacturer of
20 prescribed products also shall disclose to the director of
21 commerce and consumer affairs, the name and address of the

1 individual responsible for the manufacturer's compliance with
2 this section.

3 (c) Disclosure under this section shall be made on a form
4 and in a manner prescribed by the director of commerce and
5 consumer affairs and shall require manufacturers of prescribed
6 products to report each allowable expenditure or gift permitted
7 under section -2(b) including:

8 (1) Except as otherwise provided in this section, the
9 value, nature, and purpose of each allowable
10 expenditure, and gift permitted under section -2(b)
11 according to specific categories identified by the
12 director of commerce and consumer affairs;

13 (2) The name of the recipient;

14 (3) The recipient's address;

15 (4) The recipient's institutional affiliation; and

16 (5) Prescribed product or products being marketed, if any.

17 (d) The director of commerce and consumer affairs shall
18 report annually on the disclosures made under this section to
19 the legislature and the governor on or before April 1. The
20 report shall include:

21 (1) Information on allowable expenditures and gifts
22 required to be disclosed under this section, which

1 shall be presented in both aggregate form and by
2 selected types of health care providers or individual
3 health care providers, as prioritized each year by the
4 director;

5 (2) Information on violations and enforcement actions
6 brought pursuant to this section and section -2.

7 (e) After issuance of the report required by this section,
8 the director of commerce and consumer affairs shall make all
9 disclosed data used for the report publicly available and
10 searchable through an internet website.

11 (f) The department of health shall examine the data
12 available from the director of commerce and consumer affairs for
13 relevant expenditures and determine whether and to what extent
14 prescribing patterns by health care providers of prescribed
15 products reimbursed by Medicaid and other third party payors may
16 reflect manufacturer influence. The department of health may
17 select the data most relevant to its analysis. The department
18 of health shall report its analysis annually to the legislature
19 and the governor on or before October 1.

20 (g) Annually, on or before July 1, the director of
21 commerce and consumer affairs shall collect a \$500 fee from each
22 manufacturer of prescribed products filing annual disclosures of

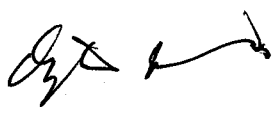

1 expenditures for deposit into the compliance resolution fund
2 established under section 26-9(o).

3 (h) The director of commerce and consumer affairs may
4 bring a civil action for injunctive relief, costs, and
5 attorney's fees, and to impose on a manufacturer of prescribed
6 products that fails to make the required disclosures a civil
7 penalty of not more than \$10,000 per violation. Each unlawful
8 failure to disclose shall constitute a separate violation."

9 SECTION 3. This Act shall take effect upon its approval.

10 INTRODUCED BY: 

Report Title:

Gifts; Drug or Device Manufacturers; Health Care Providers

Description:

Bans drug or device manufacturers or any wholesale distributor of medical devices from offering gifts to health care providers, unless excepted. Requires disclosure of permissible gifts to the director of commerce and consumer affairs. Makes disclosures publicly available.

The summary description of legislation appearing on this page is for informational purposes only and is not legislation or evidence of legislative intent.
