S.B. NO. 2933

A BILL FOR AN ACT

RELATING TO EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that a shortage of school
2 supplies for the classroom and funds to purchase the supplies
3 has been an ongoing problem for many years. The legislature
4 believes that to properly address this problem, purchasing power
5 should be concentrated at the classroom level: debit card
6 systems can be implemented so teachers can use the debit cards
7 for specific purchases within a set dollar limit.

8 The benefits of a debit card system include:

- 9 (1) Streamlining the process by which teachers can
10 purchase necessary school supplies and other related
11 curriculum support supplies, thereby eliminating the
12 time required to obtain a product and the time lag for
13 reimbursement of out-of-pocket expenses; and
14 (2) Providing teachers with flexibility for their
15 purchases and allowing them to take advantage of
16 school discounts and sales in the community.

1 The legislature further finds that there are banks that can
2 assist with the establishment of debit card system accounts, at
3 little or no cost. The system can be set up to provide up-to-
4 date spending information.

5 The purpose of this Act is to allow the principal of each
6 public school to establish and use a debit card system based at
7 the individual school level for the purpose of purchasing school
8 supplies and other related curriculum support supplies.

9 SECTION 2. Chapter 302A, Hawaii Revised Statutes, is
10 amended by adding a new section to be appropriately designated
11 and to read as follows:

12 "§302A- Purchases of supplies; debit card system. The
13 principal of each public school may establish and use a debit
14 card system to be based at the individual school level for the
15 purpose of purchasing school supplies and other related
16 curriculum support supplies, as deemed appropriate by the
17 school's academic and financial plans."

18 SECTION 3. There is appropriated out of the general
19 revenues of the State of Hawaii the sum of \$ or so much
20 thereof as may be necessary for fiscal year 2010-2011 for the
21 implementation of a debit card system based at the individual
