SENATE RESOLUTION

REQUESTING THE DEPARTMENT OF TRANSPORTATION TO CREATE A MOPEDED
TASK FORCE TO EXPLORE THE FEASIBILITY OF CLASSIFYING MOPEDED
LIKE MOTORCYCLES IN CERTAIN INSTANCES.

1 WHEREAS, as the economic downturn continues to affect many
2 state residents are looking at ways they can reduce their
3 monthly expenses; and
4

5 WHEREAS, one way people are seeking to reduce their
6 expenses is by reducing their daily transportation costs; and
7

8 WHEREAS, residents are increasingly turning to mopeds as
9 their means of transportation because of their high miles per
10 gallon fuel use and low maintenance costs; and
11

12 WHEREAS, moped registrations in the State of Hawaii
13 continue to rise and are now over 23,000; and
14

15 WHEREAS, currently in the State no special education or
16 training is required to obtain a license that would allow you to
17 operate a moped; and
18

19 WHEREAS, as a result of these increased registrations and
20 no special training moped related accidents and fatalities
21 continue to rise; and
22

23 WHEREAS, amending the way mopeds are classified and handled
24 within the Hawaii Revised Statutes to treat them more like
25 motorcycles and less like bicycles could drastically reduce the
26 amount of accidents and deaths in the state as well as improve
27 the quality of life of all citizens by reducing the amount of
28 illegally retrofitted mopeds that are often loud and disturbing;
29 now, therefore,
30

31 BE IT RESOLVED by the Senate of the Twenty-fifth
32 Legislature of the State of Hawaii, Regular Session of 2010,
33 that a task force on mopeds be created within the Department of
34 Transportation to explore the feasibility of treating mopeds
35 more like motorcycles; and
