

# HOME FOR LIFE TASK FORCE

## Notice of Meeting

The Home for Life Task Force (HFLTF) was established by the Legislature pursuant to SCR 7 (2009), as amended by HCR 13 (2010), to reduce barriers to aging in place and to facilitate multigenerational living. The Task force will meet on:

Date: July 26, 2011 (Tuesday)

Time: 4:30 PM – 6:00 PM

Location: Hawaii State Capitol – Conference Room 229  
415 S. Beretania Street

## **AGENDA**

- I. Call to order – Co-Chairs Francine Wai and Joan Riggs
  - a. Welcome & Introductions
- II. Review and approve the minutes of January 11, 2011, Home for Life Task Force Meeting
- III. Aging and Disability Resource Center (ADRC) Presentation: Nancy Moser, Executive Office on Aging
- IV. Discussion and Action on establishing two permitted interaction groups pursuant to HRS §92-2.5 (b).

**A. Website Framework** - develop the framework for a consumer-focused resource center on the ADRC website dedicated to Home Modification. This would entail working directly with the ADRC to understand the set-up process, determine (or outline) the information topics to be populated on the site and, perhaps to begin to populate the topical areas with information and/or links. We believe the website would/could incorporate professional contacts, product information and both public and professional educational resources.

**B. Zoning, Codes & Recommended Legislation** - this research effort would include all HI counties and investigate what's already being done (how counties differ or are similar) with regard to visitability, home modification, ohana zoning, ADU's, etc. or where the gaps are. Additionally, possibly developing an outline for proposed legislation (a needed) to include addressing single family homes - on these same topics.
