Chair English, Vice-Chair Gabbard, and Members of the Senate Committee on Transportation, International and Intergovernmental Affairs.

The Department of Business, Economic Development and Tourism (DBEDT) strongly supports the confirmation of Captain Edward W. Enos Jr.'s appointment to the Board of Directors for the Aloha Tower Development Corporation (ATDC). Captain Enos will serve as a Public At-Large member of the ATDC's Harbors Modernization Group, with his term set to expire on June 30, 2014.

Captain Enos' professional background and experience within the Hawaii Maritime community will be a very valuable asset to the ATDC Board when it considers the vast number of projects affecting the State of Hawaii Harbors. Furthermore, his current position as the Vice-President of the Hawaii Pilots Association allows him to be up to date on the wants and needs of the maritime community, which he can share with the ATDC Board members when they consider and vote on policy items affecting the Harbors Modernization Plan.

Captain Enos, a member of the Harbors Modernization Group since 2008, has proven to be a prepared, thought-provoking and inquisitive member of the ATDC Board of Directors, regularly attending meetings and willing to share his insights on issues presented

to the Board. He has very likeable qualities, and has shown the ability to participate in discussions and listen to other perspectives before making his decisions. By his actions, Captain Enos has exhibited a strong commitment to serve, and a willingness to expend valuable time to ensure he carries out his responsibilities as an ATDC - Harbors Modernization Group Board member to the best of his ability.

On behalf of DBEDT, I respectfully urge the Committee to vote favorably on the confirmation of Edward W. Enos Jr. to the Board of the Aloha Tower Development Corporation - Harbors Modernization Group.

Thank you for the opportunity to testify in strong support on this measure.
