Confirmation Hearing for Darryl D. Perry to the Board of Private Detectives and Guards

Dear Chair Baker and Senate Members:

I am Darryl D. Perry, Chief of Police for Kauai County, and I come before this body seeking confirmation as a member of the Board of Private Detectives and Guards.

During my years of service as a police officer I have come to respect and understand the need for law enforcement to partner with private security. However, within this partnership there must be a standard level of competency and professionalism by the differing sectors of private security.

As a member of this Board, I would like to share my knowledge and experience to possibly improve and enhance security service delivery to the public.

In its present state, I see the Board's role as a facilitator with the private sector, centered on shared objectives, team building, with solution focused goals. For example, there are inconsistencies between the types of training provided by agencies within similar sectors.

While it is understood that there are special needs between organizations, nevertheless a minimum standard of training should be established, while still taking into consideration the economic impact to the organization.

I believe my 30+ years of experience in law enforcement has provided me with the skills to work together with private security collaboratively, strongly committed to keeping our communities safe from natural and man-made threats.

Thank you,

Darryl D. Perry

Kauai County
