TESTIMONY OF THE DEPARTMENT OF TRANSPORTATION

COMMITTEE ON TRANSPORTATION, INTERNATIONAL & INTERGOVERNMENTAL  
AFFAIRS

GOVERNOR'S MESSAGE NO. 389,  
SUBMITTING FOR CONSIDERATION AND CONFIRMATION TO THE MEDICAL  
ADVISORY BOARD, GUBERNATORIAL NOMINEE, EUGENE A. H. MAGNIER MD, FOR  
A TERM TO EXPIRE 6-30-2014

The Department of Transportation supports the confirmation of Dr. Eugene A. H. Magnier's second term appointment to the Medical Advisory Board.

Dr. Magnier retired from private practice in 2008. He remains a member of the American Heart Association, the American Society of Echocardiography, the American Medical Association and the Hawaii Medical Association. His decades of experience in cardiology provides the Medical Advisory Board with the ability to determine if a person has a physical condition that may impair their driving skills. His active participation at board meetings gives us the insight needed to keep our roads and drivers safe.

Dr. Magnier received his medical education from the Temple University School of Medicine, completed his internship at the U.S. Public Health Service Hospital in New Orleans and his residency at the Medical College of Pennsylvania.

The Department of Transportation respectfully requests that this committee confirms Dr. Magnier to the Medical Advisory Board.
