### TESTIMONY TO THE SENATE COMMITTEE ON HUMAN SERVICES

Governor's Message 448 – Submitting for Consideration and Confirmation to the State Rehabilitation Council; Gubernatorial Nominee Regina Goo

Ms. Goo represents deaf and hard of hearing people in the local community. She is very active as a volunteer with the Department of Human Services' Deaf and Hard of Hearing Advisory Board (DHHAB), the Senate's Deaf and Blind Task Force, and has regularly attended meetings of the State Rehabilitation Council as a guest for the past four (4) years. She is currently employed as an educational aide with the Department of Education and works with deaf and hard of hearing children in the public school setting, so she can offer feedback on the education of deaf and hard of hearing children as well. Her other past work experience includes jobs with Vocational Rehabilitation in the Deaf Services Section and with Goodwill Industries of Honolulu. With her work experience in these various settings, Ms. Goo can offer invaluable advice to the Council.

Ms. Goo has a strong interest in community service and works to improve the community, especially in the area of communication access for individuals who are deaf and hard of hearing. Her insights and willingness to share her experiences will be an asset to the State Rehabilitation Council.

Respectfully submitted,

FRANCINE WAI  
Executive Director

The Honorable Suzanne Chun-Oakland  
Chair, Senate Committee on Human Services  
Hawaii State Capitol  
Honolulu, HI 96813

Re: Nomination of Regina Goo to the State Rehabilitation Council

Dear Chair Chun Oakland and members of the Senate Committee on Human Services,

My name is Regina Goo, and I am willing to serve as a member of the State Rehabilitation Council (SRC). I have been attending SRC meeting, as a visitor, for the past four (4) years, as a representative from the Deaf and Hard of Hearing Advisory Board (DHHAB) at DHS. I wanted to learn more about the Council and its role and felt I could provide feedback, about Vocational Rehabilitations for Deaf and Hard of Hearing people, as well as support the Deaf and Hard of Hearing community.

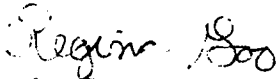

I have been serving as a member of DHHAB under Vocational Rehabilitation for the past thirteen (13) years as representing individuals who are hard of hearing. I also serve as representative for people who are hard of hearing on the Legislature Deaf and Blind Task Force hosted by Senator Suzanne Chun-Oakland.

Other experience I have is in employment. My work experience includes being an educational assistant with Department of Education, staff assistant with Deaf Services Section of Vocational Rehabilitation, and vocational assistant at Goodwill Industries of Hawaii. These jobs have given me the opportunity to learn about deaf people from the time they are childhood through adulthood. The knowledge I've learned at work enhance my skills and allow me to provide important input to the State Rehabilitation Council on employment of and communication with adults who are deaf or hard of hearing.

It would be my pleasure to serve on the State Rehabilitation Council as a representative for individuals who are deaf or hard of hearing. I hope I can provide recommendations to improve employment opportunities for all people with disabilities served by Vocational Rehabilitation.

Thank you for the opportunity to testify,

Respectfully submitted,

  
Regina Goo

SENATE COMMITTEE ON HUMAN SERVICES  
SENATOR SUZANNE CHUN OAKLAND, CHAIR

448  
Gm 447      **TESTIMONY IN SUPPORT OF REGINA GOO TO  
STATE REHABILITATION COUNCIL**

My name is ART FRANK and I am the Chair of the Deaf Hard of Hearing Advisory Board for Vocational Rehabilitation, Dept of Human Services. Regina Goo is a member of our board. I've known Regina for over 20 years so I know she has been very active in serving our community in various organizations/agencies. She has a good attitude so with her experience and background I know she would be a great asset to the SRC so I strongly support her appointment.

THANK YOU VERY MUCH.

ART FRANK, WAIANAE COAST

The Senate

Twenty-Fifth Legislature, 2010, State of Hawai'i

Senate Committee on Human Services

Senator Suzanne Chun Oakland, Chair

Senator Les Ihara Jr., Vice Chair

**Testimony in Support of GM 447 and GM 448, Relating to the State Rehabilitation Council**

*Aloha* Senators Chun Oakland and Ihara and Human Services Committee Members,

It is without hesitation that I recommend Dr. Judith Coryell and Ms. Regina Goo to be confirmed as members of the State Rehabilitation Council. I have known both of these extremely capable women personally and professionally, through my work as an interpreter educator and an American Sign Language English interpreter in private practice, for a number of years.

Their presence on the State Rehabilitation Council would ensure that the concerns of the Deaf Community, people who are hard of hearing, and educators who work with children who are deaf or hard of hearing are appropriately represented. Dr. Coryell, for example, brings her experience as a mother of two Deaf daughters and perspective as a leading authority on the education of deaf children. In addition, she is the director of the Gallaudet University Regional Center-Pacific and the Kapi'olani Deaf Center at Kapi'olani Community College. These positions allow her access to valuable resources locally, regionally and nationally that can benefit the Council. Ms. Goo, as someone who is hard of hearing, can continue to serve as an advocate for people who are deaf or hard of hearing. She is no stranger to the legislative process and regularly encourages other Deaf Community members to become similarly involved. As a result of the many years Ms. Goo has spent in pre-K-5 classrooms, she also provides an insight into the kinds of services and supports children with special needs and their families require.

I appreciate this opportunity to encourage the committee to confirm Dr. Judith Coryell and Ms. Regina Goo as members of the State Rehabilitation Council. Their presence on this council and the contributions they will make will surely have a profound and positive impact.

Respectfully,

*Jan L. Fried*
