H.B. No. 1867: RELATING TO PROSTITUTION

Chair Karamatsu and Members of the Committee:

We oppose passage of H.B. No. 1867 which seeks to raise the penalty for solicitation of prostitution if it is committed within 750 feet of a school or public park. Currently, the offense of street solicitation of prostitution, H.R.S. § 712-1207, is a petty misdemeanor. This bill seeks to raise the offense to the misdemeanor level if it is committed within 750 feet of a school or public park.

We believe that the upgrade in penalty due to the proximity to a school or public park is arbitrary and would treat offenders of the same law different simply because of the location of the commission of the offense. 750 feet is the length of more than two football fields and several city blocks. In many urban Honolulu areas, there are no areas which are more than 750 feet from some type of school or public park. Thus, this measure would carry the unintended consequence of punishing urban offenders more heavily than rural ones.

Moreover, increasing this offense to a misdemeanor would entitle persons charged to jury trials. Assuming most persons charged with this offense would be arrested in police "sting" operations, many defendants would want to wage an entrapment defense which could potentially flood the circuit courts with jury trials for this offense. This would have the effect of diverting precious judicial as well as public defender and prosecution resources from more serious cases.

Thank for the opportunity to comment on this measure.

Dear Chair Karamatsu, Vice Chair Ito and Committee Members,

The Downtown Neighborhood Board #13 has voted unanimously to support making it a misdemeanor to offer or agree to pay a fee to engage in sexual conduct within 750 feet of a school or public park. The Downtown and Chinatown area is one of the hardest hit by prostitution and the side effects that come with the activity. As soon as dusk comes many residents, including the elderly and families with children, are afraid to go out into their neighborhood because of the prostitution taking place right in their doorways.

Much of Kukui Street, where some of the worst prostitution takes place, is within the 750 foot range of a school so that this bill could help clean up our neighborhood.

We ask that you support this effort to protect the citizens of our neighborhood.

HB 1867 Relating to Prostitution**

Chair Karamatsu, Vice Chair Ito and Members of the Committee:

The Downtown Neighborhood Board strongly supports HB 1863 that makes it a misdemeanor to solicit prostitution within 750 feet of a school or public park.

As we testified on the previous bill, any measures that can reduce the actions of patrons of prostitution will help reduce the incidence of these activities. A misdemeanor level offense certainly sends a strong message to all involved that the community will not tolerate this behavior.

As we have stated before, those who live and work, and visit, in the Downtown and Chinatown areas are greatly concerned with the impact of prostitution on themselves and their children. Prostitution is not a "victimless crime" and may well have a direct impact on us and our families.

We are certainly willing to restrict legal adult businesses from locations near schools. Surely we should be able to do the same for illegal activities. These activities often take place during daylight hours when children are either in school or traveling to and from school and are playing in designated parks.

This measure would continue the communities' efforts to balance the penalties between those who are prostitutes and those who seek their services.

Thank you for the opportunity to provide this testimony.

TESTIMONY

RE: HB 1867 to be heard Tuesday, February 2, 2010 at 2PM in conference room #325

To the Members of the House Committee on Judiciary

The Libertarian Party of Honolulu opposes passage of HB 1867. If you want to control the geographic scope of prostitution you must allow persons working in that industry to work somewhere else without fear of arrest. You must talk to sex industry workers about their lives and activities to get an understanding about how such a change could work. There is a bill in the senate that mirrors HB 982 from the 2007 session. It may not be a perfect idea, but it would allow some discussion on addressing the issues that HB 1867 fails to. The Rev. Pam Vessels and I have spent many years working on these issues and are very familiar with the problems involved.

We recommend this bill be amended by gutting its contents and replacing them with SB 2854.

Sincerely:

Tracy Ryan

Re: Testimony of the ACLU of Hawaii in Opposition to H.B. 1867, Relating to Prostitution

Dear Chair Karamatsu and Members of the Committee on Judiciary:

The American Civil Liberties Union of Hawaii ("ACLU of Hawaii") writes in opposition to H.B. 1867.

The ACLU of Hawaii opposes state regulation and punishment of prostitution as a violation of the right of individual privacy because they impose penal sanctions for the private sexual conduct of consenting adults. Whether an adult chooses to engage in sexual activity for purposes of recreation, or in exchange for something of value, is a matter of individual choice, not for governmental interference.

The mission of the ACLU of Hawaii is to protect the fundamental freedoms enshrined in the U.S. and State Constitutions. The ACLU of Hawaii fulfills this through legislative, litigation, and public education programs statewide. The ACLU of Hawaii is a non-partisan and private non-profit organization that provides its services at no cost to the public and does not accept government funds. The ACLU of Hawaii has been serving Hawaii for over 40 years.

Thank you for this opportunity to testify.

SUBJECT: Strong Support for House Bills 1863 and 1867: Relating to Prostitution

DATE: Tuesday, February 2, 2010
2:00 p.m., Room 325

Dear Chair Karamatsu, Vice Chair Ito and Committee Members,

My name is Michael Lakey and I am the General Manager of Kukui Plaza, located on 1255 Nuuanu Street. Thank you for this opportunity to testify in strong support of HB 1863 and HB 1867 to do something about prostitution in our neighborhood.

For many years prostitution and its related criminal activity has posed a threat to families and individuals that live in the Kukui Plaza. As the general manager of Kukui Plaza, it is my job to help keep our residents safe. At this point, we are doing all we can, but the scope of the problem is larger than we alone can solve. We need legislators to step in and help make our community safer.

Many of our residents are afraid to walk on our block in the evening for fear of harassment and sexual solicitations from prostitutes walking on our streets. These incidents occur even in front of our residents' children. In July 2006, a related disagreement led to a person being murdered right outside of our facility, outside our residents' homes.

We have implemented numerous security measures to rid our area of prostitutes, including every recommendation made by the Honolulu Police Department. We increased exterior lighting and installed additional security cameras. We conduct special security patrols on an hourly basis to report criminal activity to police, and our residents perform weekly citizens' patrols in an attempt to take back our streets.

Unfortunately, these activities are not enough because when individuals are arrested for dealing in prostitution, the penalties are nothing to them. They come right back to our streets.

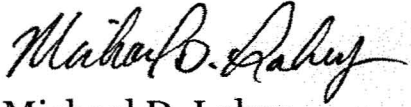

We need you to hear and pass HB1863 and HB1867. The passing of these bills will provide one more step to help deter this activity and remind everyone that prostitution is illegal in Hawaii.

Kukui Plaza was built over 30 years ago and some of our residents have lived here the entire time. I ask you to imagine that one day your neighborhood is filled with prostitutes on your streets. Then imagine a murder as a result.

Please take this issue seriously. Our management and residents have worked well with the Honolulu Police Department, but as we've seen with other tragedies in our state, sometimes it is the laws that need to be improved when everyone else is already doing all they can.

Thank you for your time and consideration.

Sincerely,

Michael D. Lakey

Dear Chair Karamatsu, Vice Chair Ito and Members of the House Committee on Judiciary:

Thank you for this opportunity to submit testimony in strong support of HB 1867 which makes it a misdemeanor to offer or agree to pay a fee to engage in sexual conduct within 750 feet of a school or public park.

EAH Housing manages 859 rental apartments in and around the downtown area. The residents of our apartments and their children encounter prostitutes on a daily basis every time they leave their apartments to walk anywhere in the area. It is hard to avoid them. They are on Aala Street, in and around Aala Park, on North Kukui Street, on College Walk and on River Street. The smart ones stay just outside of the Weed & Seed boundary lines to avoid higher penalties if they get caught. EAH Housing supports strong legislation and constant law enforcement to rid our streets of those that work as prostitutes and those that solicit prostitutes. We trust that you will give HB 1867 your strong support as well. Thank you.

I live in the downtown area, where prostitution has been a problem for many years. We have several schools in the area, and several public parks. Whatever you can do to deter prostitution in these especially vulnerable areas will be appreciated.

I live across the street from Kamalii Park and Central Intermediate School. It would improve the entire neighborhood to eliminate prostitution activity from those areas.

Subject: Testimony in Support of HB 1863 and HB 1867

Representative Karamatsu and members of the House Committee on Judiciary:

I am a resident of Kukui Plaza and I support House Bill 1863 and House Bill 1867. As you may be aware, prostitution is a serious problem in our neighborhood, specifically on Kukui Street extending from Pali Highway to River Street.

Within recent years, it appears that the problem has escalated and has brought more criminal activity including the selling and use of drugs, a person being shot and killed in July 2006 and shots being fired in December 2008. Fortunately, no one was hurt in this incident but it occurred at a time when children were walking to school and people were on their way to work.

In the past few months, HPD has increased their presence on Kukui Street and I appreciate their efforts. When there is a patrol car in the area, prostitution activity stops, however, the moment that they leave, the prostitutes return.

I appreciate the committee's time and attention on this. I hope that you will pass both bills.

Sincerely,

Diane M. Dunphy
