LATE TESTIMONY

Comments:

Mahalo for the opportunity to provide testimony on HB2488 relating to the homeless. I am an outreach manager who service the houseless population on the Leeward Coast. I SUPPORT this bill with CHANGES.

PLEASE KEEP FUNDS SET ASIDE TO HELP WITH THE MAINTENANCE OF THE PARK, BUT CHANGE THE LANGUAGE BECAUSE WHAT IS IN THE BILL ISN'T WHAT IS HAPPENING OUT THERE ON THE BEACHES AND PARKS.

The city has been closing parks and now will be prohibiting tents and shopping carts on parks without permits. How is your law going to change the city's law? Also the park does not allow pets, how will this change? The state and city government need to have clear communication on this kinds of laws that will give funds to help the homeless/ houseless in parks, if not they will continue to be confused and blamed for not trying to work with the parks and government.

Thank you for your time and hearing my concerns. I truly hope that we can develop clear systems of communication between all levels of our government. Should you have any questions please contact me at 696-5667.

LATE TESTIMONY

Comments:

Mahalo for the opportunity to provide testimony on HB2488 relating to the houseless population. I am in support. However there are some needs of changing the language. Furthermore there are too many contradiction on what the state wants done and what the city and county is doing. You are confusing our families that are trying to abide by the rules that you set. What are your intentions to simplify the confusion.
