Re: Supporting HB 2835, relating to Bureau of Conveyances

---

I would like to support HB 2835, relating to Bureau of Conveyances because this bill will help us find the owners of the right of ways/streets in our neighborhood.

Finding the owners of near-by lanes and streets will help us establish responsibility for maintenance and improvements to our neighborhood.

This problem of finding the owners of rights of ways/streets affects other lanes in our neighborhood and others around the State.

Please pass HB 2835.
