**HOUSE CONCURRENT RESOLUTION 185**

Chair Ito, and Members of the Committee:

My name is Doug Cole and I submit this testimony in support of HRC185 on behalf of North Shore Community Land Trust, a 501(C)3 non-profit organization dedicated to protecting, preserving, and enhancing the natural landscapes, cultural heritage, and rural character of ahupua'a from Kahuku Point to Ka'ena.

The primary objective of HCR185 is to correct the inadvertent omission of tax map key number (1) 5-9-05-077 from the Bureau of Conveyances record conveying the previously approved and presumed finalized land exchange between the State and the Aloha Council of the Boy Scouts of America made pursuant to Act 27, Session Laws of Hawaii 2003. The Boy Scouts of America have been great neighbors to the North Shore community for decades and I strongly encourage you to pass HRC185 to aid the Boy Scouts in continuing on as great neighbors for years to come.

North Shore Community Land Trust appreciates this opportunity to provide testimony in support of HCR185.

Sincerely,

Doug Cole  
Executive Director  
North Shore Community Land Trust
