

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to phones, emails, faxes and/or outreach offices create an undue hardship and barriers to applying for and receiving public assistance.

We the undersigned, as an employee of the Department of Human Services, strongly believe that the proposed reorganization of the Department would not be in the best interest of our clientele. It would negatively impact the lives of those that would be affected by the reorganization and their families.

I am a concerned individual of the State of Hawaii.

There is a " Proposed reorganization to merge Benefit Employment Support Services Division Med-QUEST Division (MQD) into one Division, entitled Eligibility Processing Operations Division (EDPO)."

I believe the directions and actions of the State and the leadership of the Department of Human Services Director, Lillian Koller shows a blatant disregard for the disadvantage and most vulnerable individuals of the State and employees of the Department.

I am a concerned individual of the State of Hawaii.

There is a " Proposed reorganization to merge Benefit Employment Support Services Division Med-QUEST Division (MQD) into one Division, entitled Eligibility Processing Operations Division (EDPO)."

I believe the directions and actions of the State and the leadership of the Department of Human Services Director, Lillian Koller shows a blatant disregard for the disadvantage and most vulnerable individuals of the State and employees of the Department.

To whom it may concern

I am a concerned individual of the State of Hawaii.

There is a " Proposed reorganization to merge Benefit Employment Support Services Division Med-QUEST Division (MQD) into one Division, entitled Eligibility Processing Operations Division (EDPO)."

I believe the directions and actions of the State and the leadership of the Department of Human Services Director, Lillian Koller shows a blatant disregard for the disadvantage and most vulnerable individuals of the State and employees of the Department.

I am a concerned individual of the State of Hawaii.

There is a " Proposed reorganization to merge Benefit Employment Support Services Division Med-QUEST Division (MQD) into one Division, entitled Eligibility Processing Operations Division (EDPO)."

I believe the directions and actions of the State and the leadership of the Department of Human Services Director, Lillian Koller shows a blatant disregard for the disadvantage and most vulnerable individuals of the State and employees of the Department.

February 25, 2010

In behalf of Hale Makua Nursing Facility, we feel that the consolidation and modernization plan which would result in the closure of all Maui County Welfare office will negatively impact our facility. We are in daily contact with the caseworkers resolving concerns and issues that directly impact eligibility. When there is a need for a face to face meeting to resolve difficult cases, the caseworkers are more than willing to see us in person to resolve concerns.

With the proposed creation of a centralized DHS Eligibility Processing Operations Division, there is a strong possibility that continuity will be lost. There are a lot of unanswered questions that come to mind.

If we are shifting the influx of Medicaid applications that the local Medquest office is currently accepting to the Centralized processing division, will the process to determine eligibility take longer? We would imagine so. To be fair and cost neutral, the Centralized processing division would have to accept applications from Maui, Lanai and Molokai without adding additional staff...how could it not impact timeframe to determine eligibility? If the State's response is to add additional workers, then it's not cost neutral and we should keep our local offices open.

Also, who would pay for air fare expenses in the event that we file for a fair hearing and need to be present for the hearing?

In closing, we are not convinced that this is cost cutting proposal will not negatively impact our facility. Delay in determination(s) means delay in payments.

Sincerely,

Akemi M. Albete, Director of Admissions (26 years employed at HIM)
Kathy Torres, Admissions Coordinator
Celeste Johnson, Admissions Assistant

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to phones, emails, faxes and/or outreach offices create an undue hardship and barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to phones, emails, faxes and/or outreach offices create an undue hardship and barriers to applying for and receiving public assistance.

If we could afford to go to Oahu we wouldn't need welfare + food stamps.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to both processing centers to phones, emails, faxes and/or outreach offices creates undue hardship for specific clients and creates barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to phones, emails, faxes and/or outreach offices create an undue hardship and barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to both processing centers to phones, emails, faxes and/or outreach offices creates undue hardship for specific clients and creates barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to phones, emails, faxes and/or outreach offices create an undue hardship and barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to both processing centers to phones, emails, faxes and/or outreach offices creates undue hardship for specific clients and creates barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to both processing centers to phones, emails, faxes and/or outreach offices creates undue hardship for specific clients and creates barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to both processing centers to phones, emails, faxes and/or outreach offices creates undue hardship for specific clients and creates barriers to applying for and receiving public assistance.

TOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to both processing centers to phones, emails, faxes and/or outreach offices creates undue hardship for specific clients and creates barriers to applying for and receiving public assistance.

HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to phones, emails, faxes and/or outreach offices create an undue hardship and barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to phones, emails, faxes and/or outreach offices create an undue hardship and barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to phones, emails, faxes and/or outreach offices create an undue hardship and barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to phones, emails, faxes and/or outreach offices create an undue hardship and barriers to applying for and receiving public assistance.

To whom it may concern:

I am a concerned individual of the State of Hawaii.

There is a " Proposed reorganization to merge Benefit Employment Support Services Division Med-QUEST Division (MQD) into one Division, entitled Eligibility Processing Operations Division (EDPO)."

I believe the directions and actions of the State and the leadership of the Department of Human Services Director, Lillian Koller shows a blatant disregard for the disadvantage and most vulnerable individuals of the State and employees of the Department.

To whom it may concern:

I am a concerned individual of the State of Hawaii.

There is a " Proposed reorganization to merge Benefit Employment Support Services Division Med-QUEST Division (MQD) into one Division, entitled Eligibility Processing Operations Division (EDPO)."

I believe the directions and actions of the State and the leadership of the Department of Human Services Director, Lillian Koller shows a blatant disregard for the disadvantage and most vulnerable individuals of the State and employees of the Department.

To whom it may concern:

I am a concerned individual of the State of Hawaii.

There is a " Proposed reorganization to merge Benefit Employment Support Services Division Med-QUEST Division (MQD) into one Division, entitled Eligibility Processing Operations Division (EDPO)."

I believe the directions and actions of the State and the leadership of the Department of Human Services Director, Lillian Koller shows a blatant disregard for the disadvantage and most vulnerable individuals of the State and employees of the Department.

To whom it may concern:

I am a concerned individual of the State of Hawaii.

There is a " Proposed reorganization to merge Benefit Employment Support Services Division Med-QUEST Division (MQD) into one Division, entitled Eligibility Processing Operations Division (EDPO)."

I believe the directions and actions of the State and the leadership of the Department of Human Services Director, Lillian Koller shows a blatant disregard for the disadvantage and most vulnerable individuals of the State and employees of the Department.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to both processing centers to phones, emails, faxes and/or outreach offices creates undue hardship for specific clients and creates barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to both processing centers to phones, emails, faxes and/or outreach offices creates undue hardship for specific clients and creates barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to both processing centers to phones, emails, faxes and/or outreach offices creates undue hardship for specific clients and creates barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to both processing centers to phones, emails, faxes and/or outreach offices creates undue hardship for specific clients and creates barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to both processing centers to phones, emails, faxes and/or outreach offices creates undue hardship for specific clients and creates barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to both processing centers to phones, emails, faxes and/or outreach offices creates undue hardship for specific clients and creates barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to both processing centers to phones, emails, faxes and/or outreach offices creates undue hardship for specific clients and creates barriers to applying for and receiving public assistance.

STOP THE CLOSURE OF HAWAII'S WELFARE & MEDQUEST OFFICES

Reconsider DHS Director, Lillian Koller's proposal to close Hawaii's welfare and MedQuest offices state-wide in favor of a processing center in Hilo and one in Honolulu. Restricting clients' communication to phones, emails, faxes and/or outreach offices create an undue hardship and barriers to applying for and barriers to applying for and receiving public assistance.

To whom it may concern:

I am a concerned individual of the State of Hawaii.

There is a "Proposed reorganization to merge Benefit Employment Support Services Division and Med-Quest Division (MQD) into one Division, entitled Eligibility Processing Operations Division (EPOD)." I believe the directions and actions of the State and the leadership of the Department of Human Services Director, Lillian Koller shows a blatant disregard for the disadvantage and most vulnerable individuals of the State and employees of the Department.
