Comments:

This bill amounts to nothing more than a statute of limitations of 30 days - which is absurd. No government agency should be so protected. The office of elections operates in great secrecy. Their RFP's are secretly created. It can be months before the public even knows what they are doing. If a fraud or crime been committed, then it must be investigated like all other frauds and crimes. It shouldn't to tossed out because of a 30 day statute of limitations. Please vote no on this bill.
