LATE TESTIMONY

House of Representatives
The Twenty Fifth Legislature
Regular Session

Committee on Finance

Senate Bill 2054 SD2 Relating to Civil Defense

Establishing within the civil defense agency a statewide communication interoperability coordinator.

The creation of the position Statewide Communications Interoperability Coordinator will provide another step in achieving seamless coordination within the organizations of public safety in the State of Hawaii.

With Federal funds being made available at this time thru the National Emergency Communication Plan. I respectfully request passage of this bill.
