Subject: SB 2545

Re: Testimony in SUPPORT of SB 2545

To Whom it May Concern:

Thank you for the opportunity to offer testimony.

I am in support of SB 2545 as it supports local businesses. I understand the current regulations limit the annual production of a Brewpub licensee in the State of Hawaii to 10,000 barrels per year. Brewing is a growing and vibrant business here in Hawaii, and we must support legislation to allow the rules to grow with business. It seems ironic that much more than 10,000 barrels per year can be shipped by mainland companies to Hawaii, but we are limiting our own businesses from competing in the same market. In today's economy we must nurture businesses that are contributing to our growth and not stifle them as these businesses contribute a significant amount of taxes to the State as well as supply many jobs to our kama'aina.

I urge you to pass SB 2545 in support of our local economy.

Sincerely,

Kelly Takaya King

Subject: STRONG SUPPORTER OF SB 2545

To Whom it May Concern:

I appreciate a Government where I have this great opportunity to provide testimony on issues such as SB2545

I am strongly in support of SB2545, because it offers an opportunity for the law of the land to continue to grow & change as the needs of our society, our economy & our business community grows and changes. Please support this legislation to in turn nurture the growth of local brewpubs, rather than hindering their growth at this critical juncture in our economic recovery. Successful business entities help fund our local economy & our local government, to help us all move forward. Please pass SB2545 for these reasons.

Re: Testimony in STRONG support of SB 2545

To Whom it May Concern:

Thank you for the opportunity to offer testimony.

I am in support of SB 2545 as it supports local businesses. In particular the current rules limit the annual production of a brewpub licensee. As brewing is a rapidly growing and vibrant business here in Hawaii we must support this legislation in order to allow the rules to grow with business. Currently a brewpub is limited to 10,000 barrels of production in a given year. We are fortunate as a State that brewing has been successful to the point that we must raise the limit. In today's economy we must nurture businesses that are contributing to our growth and not stifle them. These businesses contribute a significant amount of taxes to the State as well as supply many jobs to our kama'aina.

I urge you to pass SB 2545 in support of growing and diversifying our economy in Hawaii.

Sincerely,

Mike Wilson

Re: Testimony in STRONG SUPPORT of SB 2545

To Whom it May Concern:

Thank you for the opportunity to offer testimony.

I am in support of SB 2545 as it supports local businesses. The current rules, as they stand, limit the annual production of a brewpub licensee. Brewing is a rapidly growing and vibrant business here in Hawaii, and I believe we are obligated to support this legislation in order to allow the rules to grow with business. Currently a brewpub is limited to 10,000 barrels of production in a given year. We are fortunate as a State that brewing has been a successful industry – so successful, in fact, that we must raise the limit. In today's economy we *must* nurture businesses that are contributing to our growth and not stifle them. These businesses contribute a significant amount of tax revenue to the State, as well as supply many jobs to our kama'aina.

I urge you to PASS SB 2545 in support of growing and diversifying our economy in Hawaii.

Subject: STRONG SUPPORT - SB 2545

March 15, 2010

State of Hawaii  
House of Representatives  
[ebmtestimony@capitol.hawaii.gov](mailto:ebmtestimony@capitol.hawaii.gov)  
Re: Testimony in STRONG support of SB 2545

To Whom it May Concern:

Thank you for the opportunity to provide testimony in SUPPORT of SB 2545. We have read the text of this legislation, particularly as it relates to brewpub licensee provisions. We are aware this current rule limits the annual production of a brewpub licensee. However, this limitation is unfortunate given the growing business opportunities Hawaii is experiencing in this aspect of business.

Currently, such a licensee is limited to 10,000 barrels of production in a given year. In today's economy it is imperative that rules be allowed to grow with businesses in a reasonable and responsible manner, in order to help maintain Hawaii's tax, economic and job opportunities.

Although we have a home in Arizona, we treasure Napili, Maui, as another home, and wish to encourage support of SB 2545, as it supports local Hawaiian business and economy.

Sincerely,  
Mick, Leslie and J.D. James (4601 E. McNeil St., Phoenix, AZ 85044) phone:  
480-  
477-8646

Re: Testimony in STRONG support of SB 2545

To Whom it May Concern:

Thank you for the opportunity to offer testimony.

I am in very strong support of SB 2545 as it supports local businesses. In particular the current rules limit the annual production of a brewpub licensee. As brewing is a rapidly growing and vibrant business here in Hawaii we must support this legislation in order to allow the rules to grow with business. Currently a brewpub is limited to 10,000 barrels of production in a given year. We are fortunate as a State that brewing has been successful to the point that we must raise the limit. In today's economy we must nurture businesses that are contributing to our growth and not stifle them. These businesses contribute a significant amount of taxes to the State as well as supply many jobs to our kama'aina.

I urge you to pass SB 2545 in support of growing and diversifying our economy in Hawaii.

Sincerely, Michelle Wilhelm

**From:** Meg Gill [mailto:meg@goodbeer.com]  
**Sent:** Monday, March 15, 2010 7:27 PM  
**To:** EBMtestimony  
**Subject:** Testimony in STRONG support of SB 2545

Hi and thank you for the opportunity to offer my support in favor of SB 2545.

I am in support of SB 2545 as it supports local businesses. I represent a small brewery in California, growing rapidly and just surpassing our own 10,000 barrel mark in the last year. This further hits home on a personal level for me, as a sponsored professional swimmer and triathlete, having come from a background in endurance sports, and spent much time building businesses in Hawaii, including broadcasting with NBC for Ironman, sponsoring major athletes through Red Bull and Powerbar, building two time Kona Ironman World Champion Tim DeBoom's apparel business around Hawaiian events, myself winning the Maui Channel crossing last year which was begun by Maui natives and The Olympic Club (my largest corporate sponsor), personally sponsored by the Doc Martin's brand sunscreen (Maui business), as well as Maui Jim's sunglasses (Maui business). The list goes on; all of these business ventures have proven to me the success that can come when Hawaii embraces small business.

Currently, the licensing rules limit the annual production of a Brewpub licensee. The craft brewing industry is the fastest growing segment in beverage and is working tirelessly to bring "craft" back to America. Please support this legislation in order to allow the rules to grow with business. Currently a Brewpub is limited to 10,000 barrels of production in a given year. Hawaii has been fortunate that brewing has been successful to the point that you must raise the limit. These businesses contribute a significant amount of taxes to the State as well as supply many jobs to the kama'aina.

I urge you to pass SB 2545 in support of growing and diversifying out economy in Hawaii.

Sincerely, lover of your water, entrepreneur, and Hawaiian craft beer crusader,

Meg Gill

Re: Testimony in STRONG support of SB 2545

To Whom it May Concern:

Thank you for the opportunity to offer my testimony.

My name is Glen F. Tomlinson. I am in Strong Support of SB 2545 as it supports local businesses! In particular, the current rules limit the annual production of a Brewpub licensee to 10,000 barrels of production per year. We would like that limit increased to 30,000 barrels. Brewing continues to be a rapidly growing and vibrant business here in Hawaii. The Tomlinson Corporation has been in business since 1991 and continues to contribute a significant amount of taxes to the State and into our local economy. We supply many jobs to our local residents and plan on hiring many more with our projected new business venture. Our company is presently expanding into the brewing business and we need this legislation in order to allow the rules to grow with our business and others in Hawaii.

The craft brewing business has been strong and successful in Hawaii to the point that we must raise the limit. In today's economy we must nurture and support businesses that are contributing to our growth and not stifle them.

I urge you to pass SB 2545 in support of growing and diversifying our economy in Hawaii. Let's all get behind this bill to give Hawaii the boost it needs to move ahead!

Thank you for your valuable consideration.

Sincerely,

Glen F. Tomlinson  
President, The Tomlinson Corporation, DBA Home of the Brave Beverage & Brewing Company

State of Hawaii  
House of Representatives

Re: Testimony in STRONG support of SB 2545

To Whom it May Concern:

Thank you for the opportunity to offer testimony.

I am in support of SB 2545 as it supports local businesses. In particular the current rules limit the annual production of a brewpub licensee. As brewing is a rapidly growing and vibrant business here in Hawaii we must support this legislation in order to allow the rules to grow with business. Currently a brewpub is limited to 10,000 barrels of production in a given year. We are fortunate as a State that brewing has been successful to the point that we must raise the limit. In today's economy we must nurture businesses that are contributing to our growth and not stifle them. These businesses contribute a significant amount of taxes to the State as well as supply many jobs to our kama'aina.

I urge you to pass SB 2545 in support of growing and diversifying our economy in Hawaii.

Sincerely,

Ken Ertman This e-mail message and all attachments transmitted with it may contain legally privileged and/or confidential information intended solely for the use of the addressee(s). Although I live in Oregon, Hawaii is my favorite vacation destination. I am also an amateur brewer, and I understand why Maui Brewing Company must ask for a higher limit to the amount of beer it can produce annually. They make one of the best beers I have ever had, and I don't think that I am alone in feeling this way.

I am in support of SB 2545 as it supports local businesses. In particular the current rules limit the annual production of a brewpub licensee. Re: Testimony in support of SB 2545

Aloha,

On behalf of myself and all the Maui Brewing Co. ohana, I ask for your passage of SB 2545. We are a small but rapidly growing business on Maui. We operate two locations with Class 14 Brewpub licenses and are growing to the point that we will be up against the annual production limit of the current rules very soon. We are fortunate to continue to experience such growth in this economy and promote Made in Maui products that reach California, Oregon, and Japan so far, which brings respectful advertising to our state, and aloha to them. I believe our growth has come due to our strong commitment to using local ingredients in brewing and throughout our menus, hiring and training local labor, providing family wages with proper benefits to our staff, strongly supporting "Buy Local First", and of course because we officially make some of the worlds best beers...and we do it all locally!

Currently the rules set a limit on production of 10,000 barrels in a given year. We are hoping that you will vote to pass SB2545 allowing for an increase in the production limits to allow us to continue our growth. This will lead to further growth in employment of local labor, diversifying our State economy, promote manufacturing, and increase tax revenues. As many companies have been downsizing, including moving operations out of the state of Hawaii, we would be privileged to be allowed to increase ours, and since we are committed to always produce our beer here we would appreciate your blessing by approving SB 2545.

Mahalo for your time and support.

Sincerely,

Garrett W. Marrero

**Subject:** Strong Support for SB 2545

To Whom it May Concern,

I am in support of SB 2545 to increase the current limit of 10,000 barrels of production for a brewpub licensee to 30,000 barrels. Increase in production will obviously lead to an increase in employment for this locally owned business. We are fortunate as a State that brewing has been successful to the point that the limit can be raised. Nurturing this successful business is an important step in the State's economic recovery. This business will contribute a significant amount of taxes as it's sales increase.

Mahalo for your support,  
Bob Carr  
Lahaina, Hawaii

Re: Testimony in STRONG support of SB 2545

To Whom it May Concern:

As a Hawaii Resident, Taxpayer, and Service Industry Employee I have a great interest in promotion of Hawaii Tourism, Local Employment, and Keeping our Local Economy Moving.

I am in support of SB 2545 as it supports local businesses. In Hawaii we must support this legislation in order to allow the rules to grow with business. Currently a Brewpub, is limited to 10,000 barrels of production in a given year. We are fortunate as a State that brewing has been successful to the point that we must raise the limit. In today's economy we must nurture businesses that are contributing to our growth and not stifle them. These businesses contribute a significant amount of taxes to the State as well as supply many jobs to our kama'aina.

I urge you to pass SB 2545 in support of growing and diversifying out economy in Hawaii.

Sincerely,

Patty Chapman  
Financial Assistant  
Hard Rock Cafe~ Honolulu

I am in strong support of raising the current brewing limits. I teach a continuing education class on the beers of the world here at Central Washington University. I have worked in the beer industry for the past 10 plus years. I see a huge growing trend with the micro breweries. Don't limit them encourage them to grow....it will only help the economy.....look at Colorado brewing is huge there.....

LATE TESTIMONY

Testimony to Committee on Economic Revitalization,  
Business, & Military Affairs.

Rep. Angus McKelvey, Chair.

We weren't warned that this type of business to our neighbors.

This business has brought a huge impact on our street. There has been increased noise, fighting, crime, drugs, drunks in parking lot, music from cars, graffiti, we've seen people pee on my car & punch it. ~~My~~ My apt is so close that cigarette smoke flows into my house.  
= Every night it is packed - one time I saw a truck bed full of different cases of beer being brought in. There are no regulations of how much alcohol can be brought in. These people are coming out of this place falling down drunk & getting into their cars & driving off. I saw at least 2 people fall under their cars.

This is not a witch-hunt - It's about public safety - Mr. Shiroma owner of KK was quoted to say this bill is a business killer - I say - drunk driving is a killer. If they had security guards that ~~don't know everyone on the island~~ patrolling the parking lot ~~and~~ some of these issues would be alleviated

~~I have resigned to sleeping w/ my phone just in case there is someone being beat up~~

~~This business~~ Byob business' should be accountable for what's going on in their premises

the cops are there at least 2x week  
fights 2-3x's week - every night <sup>drinking,</sup> <sup>drugging +</sup> <sup>noise in lo</sup>

**Cc:** G@mauibrewingco.com; Rod Moore (RHIE-01)  
**Subject:** YOU MUST SUPPORT SB2545 TO HELP LOCAL BUSINESSES IN HAWAII 03/16/10

TO WHOM IT MAY CONCERN,

I AM WRITING YOU TO SHOW MY STRONG SUPPORT FOR SB2545. SINCE IT'S PURPOSE IS TO SUPPORT LOCAL BUSINESSES, I FEEL IT IS EXTREMELY IMPORTANT TO ACT ON IT AS SOON AS POSSIBLE. SINCE CURRENT RULES LIMIT THE ANNUAL PRODUCTION OF PRODUCT FROM BREWPUB LICENSEE'S, THIS ACTION IS NEEDED NOW. BREWPUBS ARE RAPIDLY GROWING AND VIBRANT ENTITIES IN HAWAII'S CURRENT ECONOMY. THIS BILL IS URGENTLY NEEDED NOW TO KEEP THIS FACTION OF THE LOCAL ECONOMY GROWING AND HEALTHY. IT WILL ALLOW THESE TYPES OF BUSINESSES TO GROW AND PROSPER.

CURRENTLY BREWPUBS ARE LIMITED TO 10,000 BARRELS OF PRODUCT IN ANY GIVEN YEAR. HAWAII IS FORTUNATE THAT BREWING HAS BEEN SO SUCCESSFUL. FOR THIS REASON ALONE, THIS ABSURD LIMIT ON PRODUCTION NEEDS TO BE RAISED. MY UNDERSTANDING OF SB2545 WILL ALLOW THIS.

IN TODAY'S ECONOMY, ANY EFFORT THAT SUPPORTS LOCAL BUSINESS IS NEEDED. THIS MEASURE WILL ALLOW THESE TYPES OF BUSINESSES TO CONTINUE TO GROW, AND AS THEY GROW, THEY WILL NEED TO HIRE ADDITIONAL EMPLOYEES. THIS TYPE OF GROWTH WILL NEED THESE EMPLOYEES FOR INCREASED PRODUCTION AND DISTRIBUTION. THIS BEING SAID, THE ADDED BENEFIT OF THIS MEASURE WILL BE A SIGNIFICANT INCREASE IN THE AMOUNT OF TAXES PAID TO THE STATE.

OUR ECONOMY NEEDS NEW JOBS AND ALL OF THESE NEW JOBS WILL SUPPORT OUR KAMA'AINA!

I STRONGLY URGE YOU TO PASS SB2545 BECAUSE IF WILL SUPPORT GROWTH AND DIVERSIFY OUR HAWAIIAN ECONOMY.

SINCERELY,  
ROD MOORE

Re: Testimony in STRONG support of SB 2545

To Whom it May Concern:

Thank you for the opportunity to offer testimony.

I am in support of SB 2545 as it supports local businesses. In particular the current rules limit the annual production of a Brewpub licensee. As brewing is a rapidly growing and vibrant business here in Hawaii we must support this legislation in order to allow the rules to grow with business. Currently a Brewpub, is limited to 10,000 barrels of production in a given year. We are fortunate as a State that brewing has been successful to the point that we must raise the limit. In today's economy we must nurture businesses that are contributing to our growth and not stifle them. These businesses contribute a significant amount of taxes to the State as well as supply many jobs to our kama'aina.

As a homebrewer myself and dreamer of creating a Hawaii-based microbrewery, these stipulations are counterproductive to facilitating the business environment for local businesses.

I urge you to pass SB 2545 in support of growing and diversifying our economy in Hawaii.

Sincerely,

Mark Ayers  
Kailua, HI
