SECTION 2, OF THE HAWAII CONSTITUTION, TO CHANGE THE
BOARD OF EDUCATION FROM AN ELECTED BOARD TO AN
APPOINTED BOARD.
SB2571, SD1 – RELATING TO THE BOARD OF EDUCATION.**

February 23, 2010

**WIL OKABE, PRESIDENT
HAWAII STATE TEACHERS ASSOCIATION**

Chair Taniguchi and Members of the Committee:

The Hawaii State Teachers Association believes in an elected school board.

From the earliest days of our republic, American leaders recognized the central role public education plays in educating the whole people and creating a shared American culture and cohesive society. To this end, they created a citizenry group to guide and develop policies for education. These citizen groups are in every community across the nation and are known as school boards. School boards were chosen by the people they served. Today, 96% of the school boards are elected.

We believe in an elected Board of Education because we believe that an elected board is more likely to represent the view of the voters rather than the interest of the governor who appoints them. Elected board members would be accountable to the community, rather than be accountable to an individual, the governor. The electorate would hear what the candidates stand for and so would know what they were electing. Voters are more engaged, to know who the candidates are and to ask them questions about their positions. Under a system where offices are appointed, voters are not given an opportunity to directly question the people who will be making decisions. This interaction generates interest and ownership of our school system.

An appointed board would disenfranchise the parents who are active in the development of the school system.

One of the arguments against of an elected board is that the voters do not know who the candidates are. We urge this committee to give serious consideration to House Bill 2424 which creates board districts. The board member would run from and be elected from a board district. This would create direct accountability to the voters.

We urge this committee to keep an elected board of education.

Thank you for opportunity to testify.
