JUSTIFICATION SHEET

DEPARTMENT: Transportation

TITLE: A BILL FOR AN ACT RELATING TO MOTOR VEHICLE REGISTRATION.

PURPOSE: To provide the Department of Transportation with the resources needed to accomplish their primary mission and goals by increasing the state motor vehicle registration fee.

MEANS: Amend section 249-31, Hawaii Revised Statutes.

JUSTIFICATION: To meet the economic needs of the State and preserve the unique quality of life of its residents and visitors to these precious islands, the department of transportation must provide a safe, efficient, and effective land transportation system for the movement of people and goods. The state land transportation system, however, has not kept pace with our growing economy, land use development patterns, and increased demand for travel. Programmatic and project needs far exceed the available resources. The land transportation system will continue to deteriorate as demand for travel continues to increase; and costs to manage, construct, and administer the system increase.

Impact on the public:

The estimated cost impact on the motoring public is an increase of \$20 for each registered motor vehicle. The state motor vehicle registration fee is an annual flat rate fee.

Impact on the department and other agencies:

The increase in revenues for the State Highway Fund will improve the Department's ability to construct, operate and maintain the State Highway System. This would enable the Department to increase the highways Capital Improvement Projects (CIP) and

special maintenance programs. The failure of the State to properly maintain the State Highway System may result in sanctions by the Federal Highway Administration (FHWA), including the loss of federal funds.

The increase in revenues will also improve the department of transportation's ability to provide state matching funds for the highways federal-aid program. The normal federal share for projects on the interstate system is 90 percent, and for other eligible roadways, it is 80 percent.

The state vehicle registration fee is collected by the counties and deposited into the State Highway Fund.

GENERAL FUND: None.

OTHER FUNDS: None.

PBS PROGRAM  
DESIGNATION: TRN 595.

OTHER AFFECTED  
AGENCIES: Department of Accounting and General Services, Department of Taxation, and counties.

EFFECTIVE DATE: Upon approval.
